### YFM350RSET Electrical - Partzilla

I have a 2005 Yamaha Raptor 350 SE. I recently just got done riding from a dune trip last weekend. Went to start it up, it wouldnt. Has gas, turns over, good spark plug, great battery. When starting, it sounds like how it should sound when starting but wont run. This actually happened last month, then we tried push starting AND IT WORKED! This time I didnt and dont want to keep on doing this.
