Adventures beyond the body: how to experience out-of-body ...

Adventures Beyond the Body is the account of William Buhlman's out-of-body experiences and the inferences he has drawn from them as to the nature of our existence. It is also a guidebook for those seeking to explore the out-of-body experience for themselves. Mr. Buhlman's book is very much in keeping with the ideas about the nature of the nonphysical dimensions as experienced by Robert Monroe ...

An introduction to out-of-body travel which describes the author's various astral journeys, and offers step-by-step instructions for embarking on voyages through new dimensions and worlds beyond everyday life.

The definitive work on the extraordinary phenomenon of out-of-body experiences, by the founder of the internationally known Monroe Institute. Robert Monroe, a Virginia businessman, began to have experiences that drastically altered his life. Unpredictably, and without his willing it, Monroe found himself leaving his physical body to travel via a "second body" to locales far removed from the physical and spiritual realities of his life. He was inhabiting a place unbound by time or death. Praise for Journeys Out of the Body "Monroe's account of his travels, Journeys Out of the Body, jam-packed with parasitic goblins and dead humans, astral sex, scary trips into mind-boggling other dimensions, and practical tips on how to get out of your body, all told with wry humor, quickly became a cult sensation with its publication in 1971, and has been through many printings. Whatever their 'real' explanation, Monroe's trips made for splendid reading." —Michael Hutchinson, author of Megabrain "Robert Monroe's experiences are probably the most intriguing of any person's of our time, with the possible exception of Carlos Castaneda's." —Joseph Chilton Pierce, author of Magical Child "This book is by a person who's clearly a sensible man and who's trying to tell it like it is. No ego

trips. Just a solid citizen who's been 'out' a thousand times now and wants to pass his experiences to others." —The Last Whole Earth Catalog

In his first and now classic book, *Out-of-Body Experiences: How to Have Them and What to Expect*, Robert Peterson taught us the mechanics of out-of-body travel. In *Lessons Out of the Body*, he describes how we can benefit from those experiences.

Create your own adventure on the high seas! In this fast-paced book you are the protagonist and it's up to you to make the decisions that will guide the story! All you know about yourself is that your name starts with "J" and you were orphaned as a young child. Sailing the ocean trying to earn your keep, you will deal with shifty crewmates, the lure of treasure, crazy creatures, and the risk of death! Cozy up in bed and read to yourself or gather 'round the campfire and read aloud--it will be sure to entertain!

In the year 2110, fourteen-year-old Val returns home to find that the time machine her father created has returned home without him. Having lost her mother to illness two years earlier, Val decides to use the machine to go back in time to find her father and bring him home. She does a test landing in a remote area of the U.S. in the year 2010 and meets three brothers: sixteen-year-old football star James,

thirteen-year-old Luke and an amazing seven-year-old named Wumpy. They decide to join her and help find her father. Val believes her father would have gone back to the first century to see Jesus Christ, who Val's dad considers the most important person in history. Val knows her father wanted to see for himself if the stories about Jesus in the Bible are true. She and the three brothers go back in time to first century Jerusalem and begin the search, looking for Val's dad at some of the major events of Jesus' life. During their quest they meet Jesus and see amazing things. They also have to outwit local authorities and an assortment of villains who threaten to strand them in the first century or - even worse - end their short lives two thousand years before they were born. The adventure is non-stop, but in the end this is a story about friendship and faith and the truth of 1 John 4:18: "Perfect love expels all fear."

Snow falls through the night and when Lana wakes in the morning it is to discover school has been canceled. Lana, Jada, and Jack take advantage of the Snow Day to do all their favorite winter activities. Join LJJ on their next adventure, as they play in the snow and create memories to last a lifetime.

Annie and her friends find a UNICORN! Follow Annie Emoji, her devilish brother, Kevin, and her BFF's Dot and Billy as they maneuver their way through life in the land of emojis. Winning Book Series from Montage Publishing!

This book provides a much-needed, positive, hopeful and holistic perspective on how to cope with schizophrenia. While 51 million people in the world are afflicted with this illness, self-help books on the topic are not in ample supply, and those that do exist are often very dark in outlook. This volume combines knowledge from previous studies, personal accounts, and scientific research today. Topics explored here include an overview on experiences with, and explanations for, schizophrenia; alternative and natural healing tips for psychosis and schizophrenia, including diet and orthomolecular medicine; an overview of alternative therapies; relationship and career advice; how to deal with emergencies; and how to recover after a period of psychosis, among others.
