An unexpected discovery of a royal burial inside a previously unknown substructure of Temple XIII in Palenque, Mexico, set off a decades-long archaeological mystery. In 1994, a young Mexican archaeologist named Fanny Lopez Jimenez was performing routine stabilization work on the temple stairs, when she noticed a small crack partly covered by weeds and masonry.

Bradford, Sarah AMERICA'S QUEEN The Life of Jaqueline Kennedy Onassis Large Print Edition Hardcover New York Viking Press 2000 Very Good in a Very Good dust jacket. Spine is slightly concave, as is typical with thicker volumes.

Now the subject of a new film directed by Pablo Larrain, "Jackie", starring Natalie Portman Acclaimed biographer Sarah Bradford explores the life of Jacqueline Kennedy Onassis, the woman who has captivated the public for more than five decades, in a definitive portrait that is both sympathetic and frank. With an extraordinary range of candid interviews—many with people who have never spoken in such depth on record before—Bradford offers new insights into the woman behind the public persona. She creates a coherent picture out of Jackie ' s tumultuous and cosmopolitan life—from the aristocratic milieu of Newport and East Hampton to the Greek isles, from political Washington to New York ' s publishing community. She probes Jackie ' s privileged upbringing, her highly public marriages, and her roles as mother and respected editor, and includes rare photos from private collections to create the most complete account yet written of this legendary life. Jacqueline Kennedy Onassis's life is once again the center of interest with the 2016 release of the Pablo Larrain movie "Jackie", starring Natalie Portman.

The definitive biography of Jackie Kennedy, by Britain's best royal biographer Jackie Kennedy was a twentieth-century icon of glamour, elegance and grace. As the beautiful young wife of President John F. Kennedy, she was adored, her style imitated across the world. But beneath the perfection of her public life lay contradiction, passion, and, all too often, tragedy. Sarah Bradford's brilliant new biography not only gives a fascinating account of her time with JFK, but also of her life after his assassination in 1963, in all its colour and controversy.

Using personal testimonies from the golden couple's friends, this work seeks to present the private Jackie - neglected wife, vigilant mother, obsessive shopper and working widow.

Winner of the National Book Critics Circle Award in Biography In this critically acclaimed true crime tale of "welfare queen" Linda Taylor, a Slate editor reveals a "wild, only-in-America story" of political manipulation and murder (Attica Locke, Edgar Award-winning author). On the South Side of Chicago in 1974, Linda Taylor reported a phony burglary, concocting a lie about stolen furs and jewelry. The detective who checked it out soon discovered she was a welfare cheat who drove a Cadillac to collect ill-gotten government checks. And that was just the beginning: Taylor, it turned out, was also a kidnapper, and possibly a murderer. A desperately ill teacher, a combat-traumatized Marine, an elderly woman hungry for companionship -- after Taylor came into their lives, all three ended up dead under suspicious circumstances. But nobody -- not the journalists who touted her story, not the police, and not presidential candidate Ronald Reagan -- seemed to care about anything but her welfare thievery. Growing up in the Jim Crow South, Taylor was made an outcast because of the color of her skin. As she rose to infamy, the press and politicians manipulated her image to demonize poor black women. Part social history, part true-crime investigation, Josh Levin's mesmerizing book, the product of six years of reporting and research, is a fascinating account of American racism, and an exposé of the "welfare queen" myth, one that fueled political debates that reverberate to this day. The Queen tells, for the first time, the fascinating story of what was done to Linda Taylor, what she did to others, and what was done in her name. "In the finest tradition of investigative reporting, Josh Levin exposes how a story that once shaped the nation's conscience was clouded by racism and lies. As he stunningly reveals in this "invaluable work of nonfiction," the deeper truth, the messy truth, tells us something much larger about who we are (David Grann, #1 New York Times bestselling author of Killers of the Flower Moon).

At turns heartbreaking, uplifting, fiercely romantic, and riotously funny, QUEEN OF AMERICA tells the unforgettable story of a young woman coming of age and finding her place in a new world. Beginning where Luis Alberto Urrea's bestselling The Hummingbird's Daughter

left off, QUEEN OF AMERICA finds young Teresita Urrea, beloved healer and "Saint of Cabora," with her father in 1892 Arizona. But, besieged by pilgrims in desperate need of her healing powers, and pursued by assassins, she has no choice but to flee the borderlands and embark on an extraordinary journey into the heart of turn-of-the-century America. Teresita's passage will take her to New York, San Francisco, and St. Louis, where she will encounter European royalty, Cuban poets, beauty queens, anxious immigrants and grand tycoons--and, among them, a man who will force Teresita to finally ask herself the ultimate question: is a saint allowed to fall in love?

He wants me to be his queen... Warned as a girl to keep her kisses to herself, Greer Galloway wants nothing to do with kisses--or love. Twice she's ignored the childhood warning and kissed a man, and both times ended in gutting, miserable heartbreak. Now she's sworn off all romance forever, determined to teach her classes and do her research, and live out the rest of her days alone. I want to be his everything. But Ash Colchester hasn't sworn off Greer--not at all. Still in love with the girl he once kissed in a circle of broken glass, this soldier-turned-President has never forgotten the taste of her kiss or the sound of her whispered, yes, please against his mouth. He's never forgotten the promises he wanted to make her and couldn't because she was too young for him then, and far too innocent for the things he needs. But he can't wait any longer . . . But can a fairy tale have a happily ever after for three people? Desperate to have her, Ash sends his best friend Embry to bring Greer to him, not knowing they have their own secrets, their own tragedies together. Their own cravings . . . Soon, Greer finds herself caught between past and present, pleasure and pain--and the two men who long for each other as much as they long for her. And as war and betrayal press ever closer, they tumble headlong into a passionate love affair that will change the world. My name is Greer Galloway and I serve at the pleasure of the President of the United States. From the USA Today bestselling author of Priest and Misadventures of a Curvy Girl comes a contemporary reimagining of the legend of King Arthur, Guinevere, and Lancelot--elegant, carnal, and unforgettable.

As a young soldier, Vice President Embry Moore learned the bittersweet truth about loving a hero: it can never last. Having made sacrifice after silent sacrifice to protect the best man he 's ever known, he 's only just now found his way back into Ash 's arms--and into the heart of Ash 's wife, Greer. But when Greer is taken from Ash and Embry 's bed, it sets in motion a series of painful revelations that threaten to turn their years of tortured love against them... From the USA Today bestselling author of American Queen comes the second installment in the New Camelot trilogy, a contemporary fairy tale of power, pain, and an all-consuming love that won 't be denied.

Nicknamed the Queen of the Blues, Bessie Smith rose up from poverty in the American South to become one of the most famous and respected recording artists of her generation. Smith was at the forefront of transitioning blues music from a rural novelty to a legitimate art form that critics and audiences took seriously. Behind the scenes of her success, though, Bessie navigated a story family and personal life. She had adult sisters who depended on her for a living and yet disrespected her when she wasn 't around. Likewise, she settled with a husband, Jack Gee, who mistreated her in every possible way. This book looks at the incredible and influential life of Bessie Smith.

Think It Can't Happen Here? Think Again: Operation Vigilant Eagle HR 347 Million Vet March IRS Targeting Bundy Ranch Ferguson Patriot Act Partisanship is on the rise, the economy is in a downward spiral, and there is a steady erosion of civil liberties. These factors all contribute to a plotline that is as unthinkable as it is inevitable. A Second American Civil War. From the backroom deals in Washington D.C. to the front lines of the battlefield. Daugherty offers an unflinching view of how a modern war on American soil would play out. A nightmare scenario which will come true.
