The bestselling coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. *The House on Mango Street* is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes—sometimes heartbreaking, sometimes deeply joyous—Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers.

optimum utilisation of all resources, required for the safe and successful conduct of a ship's voyage. BRM-TL course emphasises the non-technical skills of the bridge-team, which include managing human factors, effective communications, processes of team-building and leadership. To manage bridge processes, the book provides guidance on situational awareness, including team situational awareness, decision-making, contingency planning, as well as task management covering fatigue and workload planning. Additionally, this book introduces the concept of behavioural markers for assessing these soft skills to establish performance levels during a simulated exercise. Examples of behavioural markers applicable in a full-mission simulator-based exercise are also included.
