"Becoming Unbecoming is an astounding graphic novel memoir by Una. The artist powerfully explores her experience of childhood sexual assault and shares her astute observations around the culture of toxic masculinity and slut shaming.

Becoming Unbecoming: Amazon.co.uk: Una: 9781908434692: Books

Becoming Unbecoming is a 2015 graphic novel by English author Una. It depicts the effects of misogyny and sexism on twelve-year old Una growing up in northern England in 1977 while the Yorkshire Ripper is on the loose, creating a panic among townspeople. The novel follows two different timelines.

Becoming Unbecoming - Wikipedia

Becoming Unbecoming is one of the best informative graphic novel I came across. It provides a lot of useful facts about sexual assaults, misogyny, and victim blaming. I highly recommend this to all, particularly to women, as this will enlighten everyone on how society sometimes perceived victims to be also at fault.

Becoming Unbecoming by Una - Goodreads

In Becoming Unbecoming, Una describes the difficulty of telling her own story; how it often amounts to isolating one's self further, as even the closest of friends and family become uncomfortable around the subject and unsure of how to respond. Struggling to find the "right" emotion that will make her acceptable to others, she draws herself with her head down, hugging her knees—much as I found myself just hours after my own assault—head down, hugging my knees in my apartment, back ...

Becoming Unbecoming | Myriad

Becoming Unbecoming combines various styles, press clippings, photo-based illustrations, and splashes of color to convey Una's sense of confusion and rage, as well as sobering statistics on sexual violence against women. The book is a no-holds-barred indictment of sexual violence against women and the shame and blame of its victims that also celebrates the empowerment of those able to gain control over their selves and their bodies.

Becoming Unbecoming: Amazon.co.uk: Una: 9781551526539: Books

Becoming/Unbecoming explores what it means to grow up a girl in an atmosphere of shame, misogyny, violence and silence in West Yorkshire between 1975 and 1981. Many women and girls, men and boys, have read my book and it has helped them to think about sexual violence in a different way.

Becoming Unbecoming - UNA

You'll find posters, books, tote bag, enamel pin & bundles there, and for the duration of Thought Bubble Festival I'm selling original artwork from my first graphic novel Becoming Unbecoming for the first time. Here's a little video about one of my books.

Becoming and Unbecoming President. What the transition from Trump to Biden signifies for the office, the parties and the country. Author: Robert Schmuhl '70. Published: November 23, 2020

This extraordinary graphic novel is a powerful denunciation of sexual violence against women. As seen through the eyes of a twelve-year-old girl named Una, it takes place in northern England in 1977, as the Yorkshire Ripper, a serial killer of prostitutes, is on the loose and creating panic among the townspeople. As the police struggle in their clumsy attempts to find the killer, and the headlines in the local paper become more urgent, a once self-confident Una teaches herself to "lower her gaze" in order to deflect attention from boys. After she is "slut-shamed" at school for having birth control pills, Una herself is the subject of violent acts for which she comes to blame herself. But as the police finally catch up and identify the killer, Una grapples with the patterns of behavior that led her to believe she was to blame. Becoming Unbecoming combines various styles, press clippings, photo-based illustrations, and splashes of color to convey Una's sense of confusion and rage, as well as sobering

statistics on sexual violence against women. The book is a no-holds-barred indictment of sexual violence against women and the shame and blame of its victims that also celebrates the empowerment of those able to gain control over their selves and their bodies. Una (a pseudonym) is an artist, academic, and comics creator. *Becoming Unbecoming*, which took seven years to create, is her first book. She lives in the United Kingdom.

A devastating personal account of gender violence told in graphic-novel form, set against the backdrop of the 1970s Yorkshire Ripper man-hunt. It's 1977 and Una is twelve. A serial murderer is at large in West Yorkshire and the police are struggling to solve the case - despite spending more than two million man-hours hunting the killer and interviewing the man himself no less than nine times. As this national news story unfolds around her, Una finds herself on the receiving end of a series of violent acts for which she feels she is to blame. Through image and text *Becoming Unbecoming* explores what it means to grow up in a culture where male violence goes unpunished and unquestioned. With the benefit of hindsight Una explores her experience, wonders if anything has really changed and challenges a global culture that demands that the victims of violence pay its cost.

EDGAR AWARD NOMINEE FOR BEST FIRST NOVEL "Startlingly inventive." -The New York Times Book Review "A sheer delight to read . . . I had no idea what was going to happen from one page to the next." -Kate Atkinson On the grubby outskirts of Paris, Grace restores bric-a-brac, mends teapots, re-sets gems. She calls herself Julie, says she's from California, and slips back to a rented room at night. Regularly, furtively, she checks the hometown paper on the Internet. Home is Garland, Tennessee, and there, two young men have just been paroled. One, she married; the other, she's in love with. Both were jailed for a crime that Grace herself planned in exacting detail. The heist went bad-but not before she was on a plane to Prague with a stolen canvas rolled in her bag. And so, in Paris, begins a cat-and-mouse waiting game as Grace's web of deception and lies unravels-and she becomes another young woman entirely. *Unbecoming* is an intricately plotted and psychologically nuanced heist novel that turns on suspense and slippery identity. With echoes of Alfred Hitchcock and Patricia Highsmith, Rebecca Scherm's mesmerizing debut is sure to entrance fans of Gillian Flynn, Marisha Pessl, and Donna Tartt.

Three women. Three generations. Three secrets. Katie's life is falling apart: her best friend thinks she's a freak, her mother, Caroline, controls every aspect of her life, and her estranged grandmother, Mary, appears as if out of nowhere. Mary has dementia and needs lots of care, and when Katie starts putting together Mary's life story, secrets and lies are uncovered: Mary's illegitimate baby, her zest for life and freedom and men; the way she lived her life to the full yet suffered huge sacrifices along the way. As the relationship between Mary and Caroline is explored, Katie begins to understand her own mother's behavior, and from that insight, the terrors about her sexuality, her future, and her younger brother are all put into perspective. Funny, sad, honest, and wise, this powerful multigenerational novel from international bestseller Jenny Downham celebrates life like no book before.

White multicultural educators and activists have undergone a process of transformation as they move from a racist to an anti-racist consciousness. Through detailing their life experiences and significant "racial experiences," the authors identify and discuss the constitutive events that have affected their racial consciousness. In addition to the description of these "racial experiences," the authors discuss the impact that these experiences have on their pedagogy of multicultural education.

Brimming "with the ebullient Bhagwati's fierce humanism, seething humor, and change-maker righteousness," (Shelf Awareness) a raw, unflinching memoir by a former US Marine Captain chronicling her journey from dutiful daughter of immigrants to radical activist fighting for historic policy reform. After a lifetime of buckling to the demands of her strict Indian parents, Anuradha Bhagwati abandons grad school in the Ivy League to join the Marines-the fiercest, most violent, most masculine branch of the military-determined to prove herself there in ways she couldn't before. Yet once training begins, Anuradha's GI Jane fantasy is punctured. As a bisexual woman of color in the military, she faces underestimation at every stage, confronting misogyny, racism, sexual violence, and astonishing injustice perpetrated by those in power. Pushing herself beyond her limits, she also wrestles with what drove her to pursue such punishment in the first place. Once her service concludes in 2004, Anuradha courageously vows to take to task the very leaders and traditions that cast such a dark cloud over her time in the Marines. Her efforts result in historic change, including the lifting of the ban on women from pursuing combat roles in the military. "Bhagwati's fight is both incensing and inspiring" (Booklist) in this tale of heroic resilience and grapples with the timely question of what, exactly, America stands for, showing how one woman learned to believe in herself in spite of everything.

Seventeen-year-old Mara cannot remember the accident that took the lives of three of her friends, but after moving from Rhode Island to Florida, finding love with Noah, and more deaths, she realizes that uncovering something buried in her memory might save her family and her future.

This book provides the first comprehensive sociological study of the contemporary National Socialist movement in Sweden, including how it has developed since the 1990s until the present. It covers the ideas and political aspects of the movement, as well as the subjective and very personal stories told by young men and women who in some cases have left the movement and in others remained. Through a large number of detailed stories of the movement's violence, hatred, and ideology, as well as stories of the life plans and dreams involved in re-entering society, the study on which the book is based provides knowledge, hope and new directions for studies on the National Socialist movement. Additionally, the book provides innovative research on the relation between the life trajectories of National Socialists

and their significant others, allowing us to establish better and more scientific strategies for preventing radicalization and promoting de-radicalization. The book is aimed at students of sociology, social science and researchers studying hate movements and violent extremism. It is also meant for professionals such as teachers, social workers and youth workers who may encounter radicalization in their work as well as being a vital contribution for policymakers within the field.

In the first book of the Shaw Confessions, the companion series to the New York Times bestselling Mara Dyer novels, old skeletons are laid bare and new promises prove deadly. This is what happens after happily ever after. Everyone thinks seventeen-year-old Noah Shaw has the world on a string. They're wrong. Mara Dyer is the only one he trusts with his secrets and his future. He shouldn't. And both are scared that uncovering the truth about themselves will force them apart. They're right.

Queer theory essays on time and becoming in the fields of literature, philosophy, film, and performance.
