Best place to find solutions

CJ: Albert Einstein, a Rockefeller Foundation grantee, said "given one hour to save the world, I would spend 55 minutes defining the problem and 5 minutes finding the solution." This approach is deeply embedded into our process: Before we can solve a problem, we need to know exactly what the problem is, and we should put a good amount of thinking and resources into understanding it.

Defining the Problem to Find the Solution - The ...

Hopefully you find a professor who actually uses this text in their class, ideally at a local university (so you can meet in person). Contact them from your professional email (xxx@companyname.com) with proper professional email signature and explain your issue. Every professor gets free copies of the text and solution manual on request.

Strategy 4 Places to Find Innovative Solutions for Your Business Struggling to find ways to differentiate your business? Try looking in some familiar places.

~~4 Places to Find Innovative Solutions for Your Business ...~~

Don't approach this situation trying to find single solution ideas or proposals. A single answer approach drives conflict. Ironically, conflict over time reduces options down to a single option, but then time steps in and multiple solutions often creep back into the picture as the victor learns they must modify their answers.

~~How to Find Solution(s) to Problems in Life—Personal Tao~~

The purpose of this stage is to give structure to your search for information and ideas relevant to the problem. You need to decide what information you require, where you can find it, and how you can gather it most effectively. With open-ended problems this information will help you to deal with obstacles and find ways to achieve your objectives.
