As the Word of God, the Bible has the greatest potential of all books to transform people's lives. Professor Thompson explains how to analyze a Bible passage to find practical applications for daily life. A required textbook in many colleges, Bible Study That Works is also an excellent resource for individuals and study groups.

Following up Robert Traina's classic *Methodical Bible Study*, this book introduces the practice of inductive Bible study to a new generation of students, pastors, and church leaders. The authors, two seasoned educators with over sixty

combined years of experience in the classroom, offer guidance on adopting an inductive posture and provide step-by-step instructions on how to do inductive Bible study. They engage in conversation with current hermeneutical issues, setting forth well-grounded principles and processes for biblical interpretation and appropriation. The process they present incorporates various methods of biblical study to help readers hear the message of the Bible on its own terms.

The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God ' s Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) " Gospel Glimpses " highlighting the gospel of grace throughout the book; (3) " Whole-Bible Connections " showing how any given passage connects to the Bible ' s overarching story of redemption culminating in Christ; and (4) " Theological Soundings " identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God ' s grace on each and every page of the Bible. In this accessible study, pastor and author Greg Gilbert examines the message of James, exploring the book ' s difficult teachings on wealth, anointing with oil, prayer, healing, and the relationship between faith and works. Through clear exposition of the biblical text and challenging application questions, Gilbert helps readers rightly understand James as a stirring exhortation to fruitfulness, ultimately written to remind Christians of the necessary connection between genuine faith and heartfelt obedience.

What do evangelicals believe when they 'believe in the Bible?' Despite hundreds of English versions that differ in their texts, evangelicals continue to believe that there is a stable text--'the Bible'--which is the authoritative word of God and an essential guide to their everyday lives. To understand this phenomenon of evangelical Biblicism, anthropologist and biblical scholar Brian Malley looks not to the words of the Bible but to the Bible-believing communities. For as Malley demonstrates, it is less the meaning of the words of the Bible itself than how 'the Bible' provides a proper ground for beliefs that matters to evangelicals. Drawing on recent cognitive and social theory and extensive fieldwork in an evangelical church, Malley's book is an invaluable guide for seminarians, social scientists of religion, or for anyone who wants to understand just how the Bible works for American evangelicals.

BIBLICAL STUDIES - When a Bible Student or Seminarian begins to lay the basic foundations of the Old and New Testament, one of the first assignments is to provide a book-by-book summary of each biblical book. This is a basic exercise, but like every good foundation, it's one that can't be skipped. An understanding of the larger contexts and contents of each biblical book not only aids in understanding of individual passages, but also reinforces our understanding of all of Scripture. **PERSONAL NOTES** - This workbook is designed for you to work through each of the books of the Bible and produce your own personal book summaries. You have the chance to reflect on authorship, theological themes, as well as provide a basic outline of each book of the Bible. As you work through the Bible, you'll be able to trace similar theological themes and whole Bible connections. **SIMPLE WORKBOOK** - What you'll find within this book is a simple template that will allow you to work through each of the

Download Free Bible Study That Works

book fo the Bible in a way that deepens your understanding. Also, as you fill up this book you will grow in your understanding of each book of the Bible, and the larger message of the Bible as a whole. **ADDITIONAL RESOURCES** - In the back of this book I've included two appendices. The first provides my recommended commentaries on each book of the Bible. The second provides my recommended books with regards to Old Testament Introductions, New Testament Introductions, Biblical Theology, and Hermeneutics. This is a really simple workbook, and it's one that will require you to put in a lot of work. But, the outcome will be a deeper understanding of God, specific books of the Bible, and the whole Bible. Size: 7"x10" Pages: 162 Category: Theology, Biblical Studies, Bible Workbook

An in-depth, methodical, and deeply personal approach to understanding the Bible. Dr. Thompson teaches you to mine the depths of Scripture to "find a more abundant life through God's Word."

A Blueprint for Building a Love that Lasts Marriage begins with visions of eternal love, hope, and happiness. Yet, even among Christians, hope too quickly fades. The happiness dims. And love seems too hard to sustain. It doesn't have to be that way. God designed marriage to be a satisfying, fulfilling relationship, and He created men and women so that they—together, and as one flesh—could reflect His love for the world. Marriage, when lived out as God intended, makes us complete, it brings us joy, and gives our lives fresh meaning. In this study, you'll examine God's design for marriage, and you'll learn, from the Designer's perspective, what it means to be a godly husband or wife.

You ' ll discover biblical wisdom for pursuing harmony in difficult areas such as finances, communication, and respect for each other ' s roles. Most important, you ' ll learn the principles you need to build a love that lasts.

Morningstar Christian Chapel Inductive Bible Studies are designed to help believers go through the Bible and discover the rich Truths of God's Word for themselves. Paul told Timothy to be a student of the Word (2 Timothy 2:15) and Peter encouraged us to have an answer for every man who asks for the hope that lies within us (1 Peter 3:15). By breaking up each study into 6 days of work and learning, with challenging questions and applications, the Inductive Study method will have you gleaning much from the awesome Word of God which never goes out void (Isaiah 55:11). These studies are not designed to replace your weekly involvement in your local church fellowship for Bible study but are rather to supplement your daily devotions and reading times before the Lord. God promises to teach us much if we desire to know Him (Jeremiah 33:3).

This book contains twenty-two individual 'Scripture Studies.' Each study focuses on one general area of study. These studies enable individuals to do in-depth, topical studies of the Bible. They are also invaluable to the Bible study teacher preparing lessons for Sunday School or a home Bible study. They can be used for group studies as well. The range of topics covered in the different studies is broad, from what the Bible teaches about itself to what the Bible teaches about divorce and remarriage. Included in each study are hundreds of Scripture references so there will be no lack of material from which to begin your studies. So if you're an individual looking for an aid to improve for your own personal Bible studies or a Bible study teacher or home group leader

Download Free Bible Study That Works

looking for help in preparing lessons, this book will be of great benefit. The sources for the viewpoints promoted in these Scripture Studies are wide and varied. The ideas are taken from commentaries, study Bibles, theology books, books of various kinds, and most importantly, this writer's own personal study of the Scriptures. The sources for the opposing views presented are publications of groups that promote the ideas and personal conversations this writer has had with members of such groups and adherents to the views. Every effort has been made to ensure the accuracy of the Scripture references in these studies. But with the thousands of references presented, it is likely that a few 'typos' have crept in. If the reader comes across a reference that does not make 'sense' in the context presented, just go onto the next one. There are always plenty of verses listed for each point. It is my hope and prayer that God uses these Scripture Studies to help the reader to: '... grow in the grace and knowledge of our Lord and Savior Jesus Christ. To Him be the glory both now and forever. Amen' (2 Peter 3:18).
