Honestly, forthrightly, and courageously told, Black Edelweiss is a precious gift to historians and other students of World War II. It not only provides a glimpse into the attributes that made the German armed forces a formidable and tenacious foe, but squarely confronts the most painful issue facing German World War II veterans in general, and Waffen-SS veterans in particular.

When a 20-year old Waffen-SS veteran of two years' combat against the Soviets and Americans is confronted with the awful, undeniable truth of the Holocaust, he must reconcile it with his pride in his comrades' battlefield sacrifices. The author served in SS Mountain Infantry Regiment 11 Reinhard Heydrich, part of 6th SS Mountain Division Nord. The book is mostly an account of his extensive combat service against the Soviets in northern Karelia and Finland, with a shorter section describing combat against the Americans in the Vosges and in the Saar-Moselle triangle. Voss reflects on the totality of his wartime experiences, from the origins of his reasons for enlisting in the Waffen-SS to his experiences in US captivity. The result is a compelling and honest account.

Great gift idea for the rude dude in your family! If you can hum the tune, we have the lyrics! You know what it's like; you're at a party, or the bar, a diner, or going on a roadtrip, and you hear a song you like and just can't stop yourself from twisting the lyrics. "Excuse me while I kiss this guy." Yeah we know what Jimmy really said, but some darn funny lyrics can be used on just about every classic and popular song, rock, beat, hip-hop - whatever man! This volume has the following funny lyrics... Losing My Religion - Losing My Bladder Control Just A Gigolo - Just a Gigolo/Got No Body (Skeletal Version) The Look of Love - The Look of Lust (Nerd Edition) 50 Ways to Leave Your Lover - 50 Ways to Spank Your Monkey Space Oddity - Bowel Oddity Don't Fear The Reaper - Don't Fear The Reefer Raindrops Keep Falling on My Head - Peedrops Keep Fallin' on My Head Putting on the Ritz - Putin on the Shitz Puff the Magic Dragon - Poof The Tragic Drag Queen Smoke on the Water - Smoke in the Toilet Doctor Who Theme Music - Doctor Poo and the TURDIS (yes lyrics to this famous tune!) Good Vibrations - Doctor Vibrator Take it Easy - Take it Sleazy Another Brick in the Wall - Another Prick in the Wall Blinded by the Light - Blinded by the Shite Everybody Dance Now - Everybody Jack Now WARNING! Some adult content, some non-PC, but mostly adolescent naughty schoolboy humor. Have fun!

Across the realms of multimedia production, information design, web development, and usability, certain truisms are apparent. If you work on the web, in print, or in film or video, this book can help. If you know someone working on the creative arena, this makes a great gift. Funny, too.

When Joseph and Phebe Fessenden came to the peaceful village of South Bridgton, Maine to serve the newly founded Congregational church in 1829, they soon found themselves embroiled in controversy over the abolition of slavery and the evils of "demon rum." Tempers ran high and Parson Joe often found himself running counter to public opinion. Mobs threatened him with tar and feathers, cannonballs, and kidnapping. Still, he stood tall and fought tirelessly for the rights of all those who lived in chains beneath freedom's wing.

Join Kim on this fantastic exploration which she still feels was so real. This book delves into the scary and chilling details of that fateful day of August 29, 2005 when in a blink of Katrina's eye, her world and life as she knew it changed. Follow her 10 year quest for survival along a bumpy road struggling for some sense of stability. Kim's staying power makes her a survivor. Her sometimes irreverent but always refreshing look at a true life catastrophe is thought - provoking. Luckily, Kim never loses her sense of humor. What gives this book a shelf life much longer than 10 years is the fact that we are all victims of circumstance and we don't know the cards we are going to be dealt. We have to learn to deal with what we're thrown. Kim's view is a realistic look at weathering a storm and getting through it in a metamorphosis as a survivor.
