Blood and Guts in High School (1978) was highly controversial in its time and was even banned in West Germany and South Africa for being too pornographic, which is not entirely surprising as it is a collage novel comprised of pornographic drawings, letters, visions and poems. This, at times, makes the novel difficult to follow, especially since the main narrator is Janey Smith, a ten year old girl.

She never wanted a modest success, and so her books, all of them, swing from passages of topflight bravura, where you think, "How did she do that?" to a sawdust-in-your-mouth kind of feeling that you just want to spit out. She is
