Dorotheus of Sidon, who appears to have lived in Alexandria, flourished in the first century AD. He wrote his Pentateuch (five books) on astrology in Greek, in verse. This translation, from 1976 by David Pingree, is from a fourth century Pahlavi (Persian) source. The first book is on the judgement of nativities. Book two concerns marriage and children. Book three is on the length of life. Book four is on the transfer of years, i.e., forecasting. Book five is on interrogations, i.e., electional astrology. In this book are the earliest known astrological charts. Dorotheus bases much of his interpretative methods on the triplicity rulers, by day and by night. All fire signs have the same rulers. All earth signs have their rulers, as do air and water signs. He uses Egyptian terms. He, like the Greeks of his day, also uses the Dodecatemoria, which are the twelfths of a sign. And many, many lots, all defined. For the first time in this edition: Pingree's Preface newly translated. An appendix with charts in modern format. A complete table of terms and triplicity rulers. A table to calculate Dodecatemoria. Newly reset to match Pingree's original 1976 edition. Written a century before Ptolemy, here is the mainstream of Greek astrology. It will handsomely repay study.

In this book you will find all the information you need to know your days ahead according to your sign. Carmen is a professional astrologer, and with her wisdom and good knowledge, she can guide you through the maze of time during the entire year. You will get a clear idea about the whole year, and then you will get a great look at each month, where Carmen will sort out the good days and the bad ones for you. You can choose when you wish to book a meeting or keep a low profile. Enjoy surfing through the book, and have a great year! Reviews " The great psychologist C.G. Jung found astrology an effective tool. I feel he would have liked the work of the Lebanese and international astrologer, Carmen Chammas, whose reading for each sign is detailed and thought provoking. " —Christopher McIntosh, writer; Bremen, Germany " Carmen Chammas is a skilled and courageous astrologer who fearlessly carries the torch for both women and the wisdom of the stars in these challenging times. She has my utmost respect and admiration for being a positive role model for all—a true light—inside or outside of astrology. " —John Townley, astrologer and author; New York, USA " As a spiritual leader, I find astrology to be an important key to guide us. I appreciate Carmen 's wisdom and vision in her consistent studies of the stars. Her dedication to give back to humanity is reflected in her work. " —Donnagay Williams, Miami, USA " Carmen Chammas writes from the insight of a trained astrologer. This book is a rich learning experience, helping us face every day with a greater understanding of ' our ' timing in this universe. —Fatina Salaheddine, publisher, Al-Sahafa Newspaper, Cleveland, USA " Carmen Chammas is absolutely stunning. Her personal advice as an astrologer is very helpful in personal and business decisions. Her experience, pragmatism, and intelligence make her knowledge of star signs even more valuable. " —Martina Haas, networking expert; Berlin, Germany

A Deeper Look at Sun Signs is a down to earth description of each Sun Sign in the zodiac and the different struggles they may face.

Use Sun Signs and Houses to Heal, Transform, and Strengthen Yourself Uniting sun sign personality traits with the astrological power of the twelve houses, this book teaches you how to accomplish three important things: transformation, healing, and resiliency. Each chapter focuses on a sun sign and a house, exploring them separately and in connection to the planets. This beginner-friendly book provides crucial insights on all twelve signs and reveals how your personality traits help you overcome challenges and improve well-being. Once you have your birth chart—which you can easily acquire online using your time and place of birth—Carmen Turner-Schott helps you fully understand your sun sign, providing everything from self-care affirmations to optimal strategies for healing and transformation. This well-organized book lets you quickly jump between specific signs and houses, making it easy to look up information for yourself and your loved ones.

The astrological poem of Dorotheus of Sidon (1st Century AD) played a key role in later Western astrology. This new English translation explains many special features of Dorotheus's work, and supersedes the 1976 edition by Pingree. This essential work for traditional astrologers and will repay close study.

The Mysteries of the Eighth Astrological House: Phoenix Rising will explain the spiritual lessons and life experiences that individuals with eighth house planets face. There will be a focus on the positive strengths of eighth house planets and this book will validate many feelings that arise for eighth house individuals. Research and client experiences with death, sexuality, spirituality, inheritances, psychic abilities and much more will be discussed. True healers, body workers, counselors and psychics usually have planets in the eighth house. The most important thing that this book will do is to show that the eighth house calls out of the woodwork all truths, emotions, feelings and thoughts to be faced. Those with eyes to see will see. The eighth house in astrology is nothing to be afraid of, because it is a blessing in disguise. Individuals with planets placed here are truly our world's future healers.

The F*ckhead Guide to Astrology is the ultimate antidote for all you boring yuppies, neo-hipsters and punk wannabes who think there might be some validity to spirituality/western philosophy/astrology but are just too fed up with the WE-ARE-ONE, GOD-IS-LOVE, WE-ARE-ALL-GOD-N-WE-ARE-ALL-LOVE post-hippie claptrap still controlling the market, and all who wanna barf at the mention of L. Ron Hubbard (we feel you).In under 200 pages, underground author/Tourette's Syndrome survivor F*CKHEAD lovingly yet ruthlessly dissects the pop psychology dumping ground that is Astrology: signs are described, signs are decried, signs are dismantled, F*ckhead tells you how to pick up chicks (assuming, of course, you somehow know their signs to begin with, in which case you probably wouldn't need his help) and Tom Hanks is made fun of. HILARITY ENSUES. The F*ckhead Guide to Astrology is absolutely guaranteed to heal marriages, tame children, cure lepers, end hunger, establish world peace etc. (though we are still waiting on endorsement from Dr. Phil). Literarily, kinda bullshit but a helluva lot better than blowing your money on "How to Spot A Bastard By His Star Sign". So buy it now, suckers, 'cause if you keep standing in the New Age section the clerks are gonna stare at you.
