2012 Press. CFIN7 features a reader-friendly, affordable printed book with on-the-go tear-out study tools. It's a solution based on extensive research into learning preferences, guided by input from today's learners, like you. This easy-reference, paperback book introduces corporate finance today with concise, visually driven chapters that use straightforward language and meaningful examples. The authors emphasize applications of concepts rather than formulas to make it easy to understand important finance principles. Updates discuss trends and changes as recent as the impact of COVID-19
