New Dorp, originally a Dutch settlement, has had its name anglicized from Nieuwe Dorp, Dutch for New Town. Perched on the hillside overlooking the community, which was home to members of the Vanderbilt family during the late nineteenth century, stands New Dorp Lighthouse, consisting of a short, square tower rising from the center of a one-and-a-half-story keeper's dwelling.

New Dorp Lighthouse, New York at Lighthousefriends.com

We offer a 1, 2, 3 and 6 hour ride. Trail rides are subject to weather and trail conditions. For safety reasons, all rides are tailored to accommodate the lowest riding ability level in any grouping of riders. For more advanced riders or special occasions we recommend a private ride.

Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region, bringing together Orange County's most affluent coastal communities through smart, fun, and timely editorial content, as well as compelling photographs and design. Each issue features an award-winning blend of celebrity and newsmaker profiles, service journalism, and authoritative articles on dining, fashion, home design, and travel. As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation, Orange Coast is the definitive guidebook into the county's luxe lifestyle.

"The reading experience of a lifetime ..."-The Washington Post The National Book Award winner takes readers inside the epic fighting retreat of the Nez Perce Indians in this new installment in his acclaimed series of novels examining the collisions between Native Americans and European colonizers. William T. Vollmann tells the story of the Nez Perce War, with flashbacks to the Civil War. Defrauded and intimidated at every turn, the Nez Percés finally went on the warpath in 1877, subjecting the U.S. Army to its greatest defeat since Little Big Horn as they fled from northeast Oregon across Montana to the Canadian border. Vollmann's main character is not the legendary Chief Joseph, but his pursuer, General Oliver Otis Howard, the brave, shy, tormented, devoutly Christian Civil War veteran. In this novel, we see him as commander, father, son, husband, friend, and killer. Teeming with many vivid characters on both sides of the conflict, and written in an original style in which the printed page works as a stage with multiple layers of foreground and background, The Dying Grass is another mesmerizing achievement from one of the most ambitious writers of our time.

Let this guide show you why the Outer Banks is one of the most unique and interesting places in the U.S. to visit. The Outer Banks preserves history and traditions lost to more urban areas of the eastern U.S. Whether it's wild Banker ponies, historic Kitty Hawk, or hidden beaches that visitors would otherwise never find, author Renee Wright leads you to her Wright Choices.™
