profound political, social and cultural changes. But one thing that has not changed is the Irish genius for observation and storytelling, invective and self-scrutiny. Ireland: The Autobiography draws upon this genius to create a portrait of a century of Irish life through the words of the people who lived it.

Broadcaster and historian John Bowman has mined archives, diaries and memoirs to create a remarkably varied and delightfully readable mosaic of voices and perspectives. Ireland: The Autobiography is a brilliantly selected, wide-ranging and engrossing take on the last century of Irish life. It gives us a portrait of Ireland unlike anything we've read before. highly readable. Tim Pat Coogan's biographies of Michael Collins and DeValera and his studies of the IRA, the Troubles and the Irish Diaspora have transformed our understanding of contemporary Ireland, and all have been massive bestsellers. Now he has produced a major history of Ireland in the twentieth century. Covering both South and North and dealing with cultural and social history as well as political, this enthralling work will become the definitive single-volume account of the making of modern Ireland.

Winston Churchill spent his early childhood in Ireland,

had close Irish relatives, and was himself much involved in Irish political issues for a large part of his career. He took Ireland very seriously — and not only because of its significance in the Anglo-American relationship. Churchill, in fact, probably took Ireland more seriously than Ireland took Churchill. Yet, in the fifty years since Churchill's death, there has not been a single major book on his relationship to Ireland. It is the most neglected part of his legacy, on both sides of the Irish Sea. Distinguished historian of Ireland Paul Bew now, at long last, puts this right. Churchill and Ireland tells the full story of Churchill's lifelong engagement with Ireland and the Irish, from his early years as a child in Dublin, through his central role in the Home
