Oil Gas Mergers And Acquisitions Report Deloitte

As low oil and gas prices continue into a third year, the mergers and acquisition (M&A) market for all sectors has remained consistent with the low number of deals seen in 2015, but with one distinction—the 2016 deal values are lower than deal values over the past five years. The market expected increased activity assuming that buyers and sellers would come to the market for strategic buy/sell strategies based on low commodity prices; but, to the surprise of many, it never happened.

Oil & Gas Mergers and Acquisitions Report - Deloitte Insights

For the oil and gas industry, the mergers and acquisitions (M&A) deal market recovered somewhat in the second quarter of 2015, both in terms of number of transactions and overall value relative to the first quarter, due in part to the announcement of one large international deal.
