Esistono passioni che fioriscono lentamente, ma ci sono anche amori che sbocciano in un istante e che danno subito frutti dolcissimi: è questo il caso di Gabriele che si è cimentato con la pasticceria per la prima volta pochi anni fa, ma che da allora non si è più fermato. author David Rocco gave readers delicious traditional Italian recipes that any home cook can master. His inspiration, as always: the fresh, simple cooking of the Italian Cucina Povera, or peasant cuisine, that has inspired people around the world. He continues that trend with David Rocco's Dolce Famiglia. This book is all about family cooking. Dolce Famiglia includes many of David's family-friendly recipes, running the gamut from essential sauces every home cook should have in their repertoire to snacks, salads, mains and desserts that he makes for his own family. But more than that, the book pays tribute to the people who have inspired him, by telling their stories and sharing their recipes. Dolce Famiglia explores family cooking and heritage foods from across Italy, focusing on the families who have worked as food purveyors over generations. Featuring the richly textured photography and gorgeous design of the previous titles, Dolce Famiglia looks at the stories behind such iconic and delicious Italian exports as parmigiano reggiano, gelato and balsamic vinegar, offering the kind of treasured, always-in-the-family recipes that are such a hallmark of Italian cuisine. As David puts it, "At the end of the day ingredients don't have hearts and souls. It's the people and the families who pour their blood, sweat and tears into the making of these iconic products. It's families who are the gatekeepers to this traditional style of cooking."

With Christmas just around the corner, the residents of Skipleigh village are gearing up for the annual bake off, and tensions are high. Winning means a lot to everyone involved--talented cake-shop owner Katie dreams of baking stardom, Rachel wants to prove she's more than a stay-at-home mom, and John hopes his culinary skills will impress the woman he loves. But when the judges discover that some cakes have been tampered with, the villagers' loyalties are called into question--whose ambition would stretch to sabotage, and why? The Christmas Bake Off is an exclusive short story from Abby Clements, author of *Meet Me Under the Mistletoe*. This

edition also includes bonus recipes for cinnamon cookies and vanilla and almond biscuits.

Mira Rinaldi lives life at a rolling boil. Co-owner of Grappa, a chic New York City trattoria, she has an enviable apartment, a brand-new baby, and a frenzied schedule befitting her success. Everything changes the night she catches her husband, Jake, "wielding his whisk" with Grappa's new Mâitress d'. Mira's fiery response earns her a court-ordered stint in anger management and the beginning of legal and personal predicaments as she battles to save her restaurant and pick up the pieces of her life. Mira falls back on family and friends in Pittsburgh as she struggles to find a recipe for happiness. But the heat is really on when some surprising developments in New York present her with a high stakes opportunity to win back what she thought she had lost forever. For Mira, cooking isn't just about delicious flavors and textures, but about the pleasure found in filling others' needs. And the time has come to decide where her own fulfillment lies—even if the answers are unexpected. Keenly observed and deeply satisfying, *Aftertaste* is a novel about rebuilding and rediscovery, about food passionately prepared and unapologetically savored, and about the singular contentment that comes with living—and loving—with gusto. "A delicious debut."

--Jamie Cat Callan, author of *French Women Don't Sleep Alone*
Meredith Miletic lives in Pittsburgh with her husband and their three, mostly grown children. salvation. This is Book two in the Acts Of Honor series, the spin-off series to Men Of Honor. It's Nick and Katelyn's story and is told in dual POV, has an HEA with no cliffhanger and it can be read as a standalone. However, I highly recommend that you read the Men Of Honor series prior, as characters play recurring roles in both series. Warning: Due to mature subject matter, such as explicit sexual situations and coarse language, this story is not suitable for anyone under the age of 18.
