This book is about how to become an amazing public speaker, creative communicator, effective presenter, and humorous messenger. Summing up, it tells many stories of triumph and defeat, stories of pride and terrible shame, stories of friendship and stories of enmity, inspiring stories on how Lloyd Luna became one of the highest paid motivational speaker in the Philippines and Asia today. From the introduction After an hour of motivational talk that I'd spice up with nonstop humor, the audience often just couldn't get enough of me. They would shout "More! More!" in chorus and I would then oblige them by extending my talk for another 30

minutes or so. Often, after only the first five minutes, the audience in a good many of such talks would rather that the speaker stop and leave the stage. Why then would they want an extension in my case? Do they love my presentation? Do they love being entertained while being taught at the same time? Or do they just plain love me? Make a guess. Because unless you see me on stage or watch me on YouTube, you won't have a proper appreciation of how I do it. But as tempting as it is to make this book about me, it really isn't about me. It's really about you. It's just that I can only do it by talking about me. I just need to tell stories about me to make a point, that's all. For this book is not a product of a routine Google search or the typical how-to that you find in the Internet. To teach you about public speaking, I can only talk about my own successes and failures in doing it. Indeed, this is about my real-life experiences in

This revolutionary book will explain what God wants for and from us when we petition Him for his will to manifest “on Earth as it is in Heaven,” and how to understand the difference. Do you ever feel as if, despite your spirituality and faith, something significant is missing? Most teenagers and college students, as well as tens of

millions of adults, are still striving to figure out the purpose and meaning of their lives. The natural struggle for faith in something intangible can be compounded by incorrect teachings and contradictory explanations of the workings of God in our lives. How does “free will” really work? What does it mean to ask for God’s will? When things happen in life, how do you really know whether that is God’s will? Is there really any point in praying for His will if we can’t influence it? These haunting personal questions became the genesis of PUSH as Matthesius sought answers. Now, he unpacks the powerful biblical truths he learned—the result of deep revelation from discovering God and constantly seeking to know him with all his heart. PUSH is about helping you discover God’s dream for your life so you become the blessing you were meant to be. It is about helping you truly embrace the power of prayer and

understand what that means instead of simply treating it as a platitude you offer when someone is struggling. This book will instill confidence and promote vision. PUSH will stir you to take action, to remain vigilant, and Pray Until Something Happens.
