What happens when your cat makes a mistake like ruining something valuable or going outside the litter box? You can't ground or take away their allowance when your cat gets in trouble. So what is the next best thing? Cat Shaming! Cat Shaming is a hilarious collection of photos from owners who express their frustration when their furry best friend does something bad. Millions of cat owners can relate to the antics of these felines while the picture shows a shamed but adorable, innocent looking kitty.

Collecting the cartoons from The Birth of Canis and The Fuzzy Bunch, this treasury is a rollicking read full of Bucky's signature bullying of Satchel and Rob's inability to keep the peace.

Based on the beloved Twitter sensation, Thoughts of Dog contains never-before-seen, sweet and funny reflections on life from the pup-spective of a goooooob dog, who, above all else, loves their human. Join a dog and their stuffed "fren" Sebastian as they navigate life's adventures through the most wholesome lens imaginable. The mastermind behind WeRateDogs, Matt Nelson, expands the Thoughts of Dog universe born on social media with his new book for anyone looking for a smile.

This book is a guide for students, researchers, and practitioners to the latest developments in fuzzy hybrid computing in construction engineering and management. It discusses basic theory related to fuzzy logic and fuzzy hybrid computing, their application in a range of practical construction problems, and emerging and future research trends.

****THE INTERNATIONAL, NEW YORK TIMES and SUNDAY TIMES BESTSELLER, WITH OVER A MILLION COPIES SOLD AROUND THE WORLD**** Denmark has an international reputation for being one of the happiest nations in the world, and hygge is widely recognised to be the magic ingredient to this happiness. Hygge has been described as everything from "the art of creating intimacy", "cosiness of the soul", "the absence of annoyance" to "taking pleasure from the presence of soothing things", "cosy togetherness" and "the pursuit of everyday pleasures". Hooga? Hhyooguh? Heurgh? It is not really important how you choose to pronounce or even spell 'hygge'. What is important is that you feel it. Whether you're cuddled up on a sofa with a loved one, or sharing comfort food with your closest friends, hygge is about creating an atmosphere where we can let your guard down. The Little Book of Hygge is the definitive, must-read introduction to hygge, written by Meik Wiking, CEO of the Happiness Research Institute in Copenhagen. The book is packed full of original research on hygge, conducted by Meik and his team, along with beautiful photographs, recipes and ideas to help you add a touch of hygge to your life.

GOODREADS CHOICE AWARD WINNER FOR GRAPHIC NOVELS AND COMICS! These casually drawn, perfectly on-point comics by the hugely popular young artist Sarah Andersen are for the rest of us. They document the wasting of entire beautiful weekends on the internet, the unbearable agony of holding hands on the street with a gorgeous guy, and dreaming all day of getting home and back into pajamas. In other words, the horrors and awkwardnesses of young modern life. Oh and they are totally not autobiographical. At all. *Adulthood Is a Myth* presents many fan favorites plus dozens of all-new comics exclusive to this book. Sarah's frankness on personal issues like body image, self-consciousness, introversion, relationships, and the frequency of bra-washing makes her comics highly relatable and deeply hilarious, showcasing how she became one of the most influential voices in web cartoonists.

Part memoir and part visual journey through the streets of modern-day Paris, France, *A Paris Year* chronicles, day by day, one woman's French sojourn in the world's most beautiful city. Beginning on her first day in Paris, Janice MacLeod, the author of the best-selling book, *Paris Letters*, began a journal recording in illustrations and words, nearly every sight, smell, taste, and thought she experienced in the City of Light. The end result is more than a diary: it's a detailed and colorful love letter to one of the most romantic and historically rich cities on earth. Combining personal observations and anecdotes with stories and facts about famous figures in Parisian history, this visual tale of discovery, through the eyes of an artist, is sure to delight, inspire, and charm.

The Pearls gang returns with characteristically misanthropic humor (but with more leather): no self-aggrandizing is too flagrant for Rat, no subject is too erudite for Goat, and no sensory input is too basic for Pig. All topics are fair game for Stephan Pastis and his brass-knuckle punch lines. Comic strip censors, apathetic baristas, and IRS employees are all strongly advised to laugh or get out of the way. *Pearls Hogs the Road* also features three comic strips illustrated by the legendary Bill Watterson of *Calvin and Hobbes*, who ended a 19-year hiatus from the comics page to collaborate with Pastis.

Why bother getting out of bed when you could stay bundled up with that special someone and a book of cozy, cute comics. From the author of the bestselling *Little Moments of Love* comes #1 New York Times bestseller *Snug*, a collection of comics that perfectly captures the honest, playful, and relatable snapshots of romantic life. Chetwynd's second book has the same charming and inviting style as her first and includes 50 percent new, never-before-shared comics. *Snug* is a celebration of the quirks and peculiarities of every one of us—and the magic that happens when we find our matching puzzle piece.
