Generation of Swine. The Great Shark Hunt is a book by Hunter S. Thompson. Originally published in 1979 as Gonzo Papers, Vol. 1: The Great Shark Hunt: Strange Tales from a Strange Time, the book is a roughly 600-page collection of Thompson's essays from 1956 to the end of the 1970s, including the rise of the author's own gonzo journalism style as he moved from Air Force and sports beat-writing to straight-ahead political commentary.

The first volume in Hunter S. Thompson’s bestselling Gonzo Papers offers brilliant commentary and outrageous humor, in his signature style. Originally published in 1979, the first volume of the bestselling “Gonzo Papers” is now back in print. The Great Shark Hunt is Dr. Hunter S. Thompson’s largest and, arguably, most important work, covering Nixon to napalm, Las Vegas to Watergate, Carter to cocaine. These essays offer brilliant commentary and outrageous humor, in signature Thompson style. Ranging in date from the National Observer days to the era of Rolling Stone, The Great Shark Hunt offers myriad, highly charged entries, including the first Hunter S. Thompson piece to be dubbed “gonzo”—“The Kentucky Derby Is Decadent and Depraved,” which appeared in Scanlan's Monthly in 1970. From this essay a new journalistic movement sprang which would change the shape of American letters. Thompson's razor-sharp insight and crystal clarity capture the crazy, hypocritical, degenerate, and redeeming aspects of the explosive and colorful ‘60s and ‘70s.

From the bestselling author of Fear and Loathing in Las Vegas, the legendary Hunter S. Thompson’s second volume of the “Gonzo Papers” is back. Generation of Swine collects hundreds of columns from the infamous journalist’s 1980s tenure at the San Francisco Examiner. Here, against a backdrop of late-night tattoo sessions and soldier-of-fortune trade shows, Dr. Thompson is at his apocalyptic best—covering emblematic events such as the 1987-88 presidential campaign, with Vice President George Bush, Sr., fighting for his life against Republican competitors like Alexander Haig, Pat Buchanan, and Pat Robertson; detailing the GOP's obsession with drugs and drug abuse; while at the same time capturing momentous social phenomena as they occurred, like the rise of cable, satellite TV, and CNN-24 hours of mainline news. Showcasing his inimitable talent for social and political analysis, Generation of Swine is vintage Thompson—erily prescient, incisive, and enduring.

First published in 1990, Songs of the Doomed is back in print -- by popular demand! In this third and most extraordinary volume of the Gonzo Papers, Dr. Hunter S. Thompson recalls high and hideous moments in his thirty years in the Passing Lane -- and no one is safe from his hilarious, remarkably astute social commentary. With Thompson's trademark insight and passion about the state of American politics and culture, Songs of the Doomed charts the long, strange trip from Kennedy to Quayle in Thompson's freewheeling, inimitable style. Spanning four decades -- 1950 to 1990 -- Thompson is at the top of his form while fleeing New York for Puerto Rico, riding with the Hell's Angels, investigating Las Vegas sleaze, grappling with the "Dukakis problem," and finally, detailing his infamous lifestyle bust, trial documents, and Fourth Amendment battle with the Law. These tales -- often sleazy, brutal, and crude -- are only the tip of what Jack Nicholson called "the most baffling human iceberg of our time." Songs of the Doomed is vintage Thompson -- a brilliant, brazen, bawdy compilation of the greatest sound bites of Gonzo journalism from the past thirty years.

'Well ...yes, and here we go again' - Dr Hunter S. Thompson. Indeed we do. Here, in one chunky volume, is the best of gonzo, from Private Thompson in trouble with the air force, to the devastating portrait of the ageing Muhammad Ali, taking in the Kentucky Derby, Freak Power in the Rockies, Nixon in '68, McGovern in '72, Fear and Loathing at the Watergate, Jimmy Carter and the Great Leap of Faith - and much more. This is an indispensable compendium of decadence, depravity and horse-sense. 'Hunter Thompson elicits the same kind of admiration one would feel for a streaker at Queen Victoria's funeral' - William F. Buckley. 'No other reporter reveals how much we have to fear and loathe, yet does it so hilariously. Now that the dust of the sixties has settled, his hallucinated vision strikes one as having been the sanest' - Nelson Algren.

"Hunter S. Thompson is to drug-addled, stream-of-consciousness, psycho-political black humor what Forrest Gump is to idiot savants." --The Philadelphia Inquirer Since his 1972 trailblazing opus, Fear and Loathing on the Campaign Trail, Hunter S. Thompson has reported the election story in his truly inimitable, just-short-of-libel style. In Better than Sex, Thompson hits the dusty trail again--without leaving home--yet manages to deliver a mind-bending view of the 1992 presidential campaign--in all of its horror, sacrifice, lust, and dubious glory. Complete with faxes sent to and received by candidate Clinton's top aides, and 100 percent pure gonzo screeds on Richard Nixon, George Bush, and Oliver North, here is the most true-blue campaign tell-all ever penned by man or beast. "[Thompson] delivers yet another of his trademark cocktail mixes of unbelievable tales and dark observations about the sausage grind that is the U.S. presidential sweepstakes. Packed with egocentric anecdotes, musings and reprints of memos, faxes and scrawled handwritten notes (Memorable)." --Los Angeles Daily News "What endears Hunter Thompson to anyone who reads him is that he will say what others are afraid to (. [He] is a master at the unlikely but invariably telling line that sums up a political figure (.In a year when all politics is--to much of the public--a tendentious and pompous bore, it is time to read Hunter Thompson." --Richmond Times-Dispatch "While Tom Wolfe mastered the technique of being a fly on the wall, Thompson mastered the art of being a fly in the ointment. He made himself a part of every story, made no apologies for it and thus produced far more honest reporting than any crusading member of the Fourth Estate (. Thompson isn't afraid to take the hard medicine, nor is he bashful about dishing it out (.He is still king of beasts, and his apocalyptic prophecies seldom miss their target." --Tulsa World "This is a very, very funny book. No one can ever match Thompson in the vitriol department, and virtually nobody escapes his wrath." --The Flint Journal

Brings together a selection of the legendary American journalist's articles on subjects ranging from the Super Bowl to Watergate, from Hemingway to Brando, and from sharks to drugs.

Collected together for the first time, The Gonzo Papers Anthology is an indispensable compendium of decadence, depravity and a remarkably skewed common sense.

From the king of “Gonzo” journalism and bestselling author who brought you Fear and Loathing in Las Vegas comes another astonishing volume of letters by Hunter S. Thompson. Brazen, incisive, and outrageous as ever, this second volume of Thompson’s private correspondence is the highly anticipated follow-up to The Proud Highway. When that first book of letters appeared in 1997, Time pronounced it "deliriously entertaining"; Rolling Stone called it "brilliant beyond description"; and The New York Times celebrated its "wicked humor and bracing political conviction." Spanning the years between 1968 and 1976, these never-before-published letters show Thompson building his legend: running for sheriff in Aspen, Colorado; creating the seminal road book Fear and Loathing in Las Vegas; twisting political reporting to new heights for Rolling Stone; and making sense of it all in the landmark Fear and Loathing on the Campaign Trail '72. To read Thompson's dispatches from these years--addressed to the author's friends, enemies, editors, and creditors, and such notables as Jimmy Carter, Tom Wolfe, and Kurt Vonnegut--is to read a raw, revolutionary eyewitness account of one of the most exciting and pivotal eras in American history.

50th Anniversary Edition • With an introduction by Caity Weaver, acclaimed New York Times journalist This cult classic of gonzo journalism is the best chronicle of drug-soaked, addle-brained, rollicking good times ever committed to the printed page. It is also the tale of a long weekend road trip that has gone down in the annals of American pop culture as one of the strangest journeys ever undertaken. Also a major motion picture directed by Terry Gilliam, starring Johnny Depp and Benicio del Toro.

The second volume of the Gonzo Papers comments on the television coverage of Hurricane Gloria, blood pressure machines, the Super Bowl, the hijinks of televangelists, the Iran Contra hearings, the 1988 Presidential race, and other topics, in a collection of cynical, provocative essays. Reprint. 20,000 first printing.
