When a psychic told Eve her son's life was in danger and her spirit guide was trying to warn her, Eve knew she had to find a way to open the channels of communication. "Before talking to any spirit, be sure to surround yourself with a protective white light," the psychic warned. "Ask the spirit to identify himself as being of the light. He can't claim to be of the light if he isn't." That night Eve fashioned a pendulum and an alphabet arc, and surrounded herself with an imaginary white light before speaking to the air: "If there's a spirit of light who wants to talk to me about my son, please swing the pendulum over the letters to spell out your message." Immediately the pendulum began to swing, spelling out the message: "My name is Gideon. I'm of the light. I am your guardian angel." New York Times and USA Today bestselling author Larissa Ione returns with a new story in her Demonica series... Sold into slavery mere hours after his birth to werewolf parents, Tracker spent decades in service to cruel underworlders. Then the fallen angel Harvester transferred his ownership to a human woman who gave him as much freedom as the unbreakable bond would allow. Still, thanks to his traumatic past, he's afraid to trust, let alone feel love. But when an acquaintance shows up at his door, injured and in need of help, he finds himself longing for a connection. For someone to touch. For someone to care. Stacey Markham has had it bad for Tracker since the day her best friend, Jillian, was forced to hold his unbreakable slave bond. At first, the fact that he's a werewolf seemed weird to Stacey, but hey, her best friend was married to one of the Four Horsemen of the Apocalypse, so weird is definitely a matter of perspective. Stacey knows the depths of Tracker's trauma, and she longs to help him even as he helps her, but breaking through his walls isn't easy. And it only gets harder when the only blood family he has, the pack that gave him away, lays claim to him...and everything he loves. \*\*Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do
