- To gain awareness of the various management techniques and methods like manpower planning, job techniques, work assessment, employee and patient counselling, cost-effectiveness analysis, marketing planning, NABH preparation.

Flowcharts, pictures, tables and schematic illustrations present the practical implementation of various steps and methodologies of health services. Presentation of various management techniques and methods like manpower planning, job techniques, work assessment, employee and patient counselling, cost-effectiveness analysis, marketing planning, NABH preparation

A heartbreaking historical novel from the No.1 bestselling author of *Stolen Charity* Stratton's bleak childhood is changed for ever when both her parents are killed in a fire. Separated by the authorities from her younger brothers and sister, Charity is sent out to work as a skivvy in a boys' boarding school. Her loneliness and misery are eased when she falls deeply in love with the dashing but fickle sixth-former, Hugh Mainwaring, but when she discovers she is pregnant with Hugh's baby she soon realises just how alone she really is. Determined to be reunited with her siblings and to make something of herself, Charity runs away to London and begins to forge a new life.

If you're looking to develop and improve your nursing, health or social care practice, either individually or as part of a team, the *Practice Development Workbook for Nursing, Health and Social Care Teams* offers a wide-ranging selection of activities, tools and resources covering vital aspects of practice development. Written as a companion volume to the latest edition of the best-selling *Practice Development in Nursing and Healthcare*, this new resource grounds practice development in day-to-day nursing and health and social care through accessible, informative learning activities. It also focuses on practical ways in which teams can make their workplace cultures more effective and person-centred, and enables practitioners to empower themselves to make compassionate care a fundamental part of effective health and social care systems. Key features:

- Offers a full range of resources and tools to support all stages of learning and development towards person-centred practice, including learning activities, templates, posters, tips and hints, information sheets, and checklists.
- Includes practical advice for teams to involve patients, clients and residents in the transformation of workplace cultures and bringing about sustainable change.
- Perfect for use both by individuals or by those working in group settings.
- Presents informative and accessible information through activities and key learning points rather than just theory.
- Fully linked to *Practice Development in Nursing and Healthcare*, second edition, but can also be used as a stand-alone resource.
- Includes access to a companion website featuring even more tools and resources, including: sample Powerpoint presentations, worksheets and reflection tools, questionnaires and checklists, evaluation tools, as well as a bonus chapter on 'Sharing and Celebrating'
