Don't want to be me anymore!! | Mental Health Forum

I don't want to be any more. I'm so tired and I'm sick of being such a useless waste of skin. I've been on and off antidepressants for years and I hate what they do to me but I know that's the only "help" I'd get were I to see a doctor. I spent a lot of time as an inpatient in my teenage years and I don't feel like I'm salvageable.

I don't know what to do about it. I don't really want to kill myself but I can see no other way out of the situation I am in. If there was an off button I'd press it. I'm worried about the possibility of harming myself going wrong and being left in a worse position that I am now. I don't want to and won't contact the gp.

I'm £10,000 in debt and I don't want to be ashamed about ...

I genuinely don't want to live anymore. The title says it all... I really just don't want to be alive anymore. I've struggled with anxiety for many years and depression for the past year. I'm just so tired and fed up with dealing with the stress everyday. I had a suicide attempt this past May followed by months of therapy.
