These strategies are designed to bring about Internal Drive Ignition (TM) in children. They form part of a larger basket of strategies that Dr. Petunia Lee uses to ignite internal drive in children.

Internal Drive Theory : Motivate your child to WANT to ...

In psychology, a drive theory, theory of drives or drive doctrine is a theory that attempts to analyze, classify or define the psychological drives. A drive is an instinctual need that has the power of driving the behaviour of an individual; an "excitatory state produced by a homeostatic disturbance". Drive theory is based on the principle that organisms are born with certain psychological needs and that a negative state of tension is created when these needs are not satisfied. When a need is sa

Drive theory - Wikipedia

The Four Drive theory is based on research that shows four underlying drives – the drive to Acquire & Achieve, to Bond & Belong, to be Challenged & Comprehend and to Define & Defend. Each of these drives are important if we are to understand employee motivation.
