The Catcher in the Rye - J.D. Salinger Biography

Jd Salinger The Catcher In

The Catcher in the Rye is a novel by J. D. Salinger, partially published in serial form in 1945–1946 and as a novel in 1951. It was originally intended for adults, but is often read by adolescents for its themes of angst and alienation, and as a critique on superficiality in society. It has been translated widely. Around one million copies are sold each year, with total sales of more than 65 ...

| |
| Anyone who has read J. D. Salinger's New Yorker stories - particularly A Perfect Day for Bananafish, Uncle Wiggily in Connecticut, The Laughing Man, and For Esme - With Love and Squalor, will not be surprised by the fact that his first novel is full of children. The hero-narrator of The Catcher in the Rye is an ancient child of sixteen, a native New Yorker named Holden Caulfield. Through circumstances that tend to preclude adult, secondhand description, he leaves his prep school in Pennsylvania and goes underground in New York City for three days. The boy himself is at once too simple and too complex for us to make any final comment about him or his story. Perhaps the safest thing we can say about Holden is that he was born in the world not just strongly attracted to beauty but, almost, hopelessly impaled on it. There are many voices in this novel: children's voices, adult voices, underground voices-but Holden's voice is the most eloquent of all. Transcending his own vernacular, yet remaining marvelously faithful to it, he issues a perfectly articulated cry of mixed pain and pleasure. However, like most lovers and clowns and poets of the higher orders, he keeps most of the pain to, and for, himself. The pleasure he gives away, or sets aside, with all his heart. It is there for the reader who can handle it to keep. |

"The Catcher in the Rye" (in other translations - "Break on the edge of rye fields of childhood," "Catcher in the grain field," English The Catcher in the Rye -. The Catcher in the Rye," 1951) - a novel by American writer Jerome Salinger. In it on behalf of the 16-year old boy named Holden in a very blatant form it tells about his heightened perception of American reality and the rejection of the common canons and morality of modern society. The work was immensely popular among young people and among the adult population, have a significant impact on world culture of the second half of the XX century. The novel was translated almost all world languages. In 2005, Time magazine included the novel in the list of the 100 best English-language novels written since 1923, and publisher Modern Library [en] included in its list of the 100 best English-language novels of the 20th century. However, despite this, at the same time in the US the novel has often been criticized, and the prohibition of the large amount of obscene language.

Peter G. Beidler's Reader's Companion is an indispensable guide for teachers, students, and general readers who want fully to appreciate Salinger's perennial bestseller.

Presents a collection of essays analyzing Salinger’s The catcher in the rye, including a chronology of his works and life.

Based on eight years of exhaustive research and exclusive interviews with more than 200 people—and published in coordination with the international theatrical release of a major documentary film from the Weinstein Company—Salinger is a global cultural event: the definitive biography of one of the most beloved and mysterious figures of the twentieth century. For more than fifty years, the ever elusive author of The Catcher in the Rye has been the subject of a relentless stream of newspaper and magazine articles as well as several biographies. Yet all of these attempts have been hampered by a fundamental lack of access and by the persistent recycling of inaccurate information. Salinger remains, astonishingly, an enigma. The complex and contradictory human being behind the myth has never been revealed. No longer. In the eight years since Salinger was begun, and especially in the three years since Salinger’s death, the authors interviewed on five continents more than 200 people, many of whom had previously refused to go on the record about their relationship with Salinger. This oral biography offers direct eyewitness accounts from Salinger’s World War II brothers-in-arms, his family members, his close friends, his lovers, his classmates, his neighbors, his editors, his publishers, his New Yorker colleagues, and people with whom he had relationships that were secret even to his own family. Shields and Salerno illuminate most brightly the last fifty-six years of Salinger’s life: a period that, until now, had remained completely dark to biographers. Provided unprecedented access to never-before-published photographs (more than 100 throughout the book), diaries, letters, legal records, and secret documents, readers will feel they have, for the first time, gotten beyond Salinger’s meticulously built-up wall. The result is the definitive portrait of one of the most fascinating figures of the twentieth century.

NATIONAL BESTSELLER • The inspiration for the major motion picture Rebel in the Rye One of the most popular and mysterious figures in American literary history, the author of the classic Catcher in the Rye, J. D. Salinger eluded fans and journalists for most of his life. Now he is the subject of this definitive biography, which is filled with new information and revelations garnered from countless interviews, letters, and public records. Kenneth Slawenski explores Salinger’s privileged youth, long obscured by misrepresentation and rumor, revealing the brilliant, sarcastic, vulnerable son of a disapproving father and doting mother. Here too are accounts of Salinger’s first broken heart—after Eugene O’Neill’s daughter, Oona, left him—and the devastating World War II service that haunted him forever. J. D. Salinger features this author’s dramatic encounters with luminaries from Ernest Hemingway to Elia Kazan, his office intrigues with famous New Yorker editors and writers, and the stunning triumph of The Catcher in the Rye, which would both make him world-famous and hasten his retreat into the hills of New Hampshire. J. D. Salinger is this unique author’s unforgettable story in full—one that no lover of literature can afford to miss. Praise for J. D. Salinger: A Life “Startling . . . insightful . . . [a] terrific literary biography.”—USA Today “It is unlikely that any author will do a better job than Mr. Slawenski capturing the glory of Salinger’s life.”—The Wall Street Journal “Slawenski fills in a great deal and connects the dots assiduously; it’s unlikely that any future writer will uncover much more about Salinger than he has done.”—Boston Sunday Globe “Offers perhaps the best chance we have to get behind the myth and find the man.”—Newsday “[Slawenski has] greatly fleshed out and pinned down an elusive story with precision and grace.”—Chicago Sun-Times “Earnest, sympathetic and perceptive . . . [Slawenski] does an evocative job of tracing the evolution of Salinger’s work and thinking.”—The New York Times

The classic 1951 novel by J.D. Salinger is analyzed.

Few novels have affected readers (especially young people) like J.D. Salinger's The Catcher in the Rye. With this new guide, you will have an even greater understanding of the book.
