Khalsa (ISBN: 9781591842262) from Amazon's Book Store.  
Everyday low prices and free delivery on eligible orders.

Let's Get Real or Let's Not Play: Transforming the Buyer ...  
Zig Ziglar said years ago that, "You can get everything you  
want in life, if you help enough people get what they want."  
And that's what Let's Get Real or Let's Not Play is about.  
It's a book for people who want to escape the feeling of  
"selling", and embrace the notion of helping the client solve  
their problems; the problems that matter to them, in a way  
that resonates with their larger objectives.

## Let's Get Real or Let's Not Play – Actionable Books

Let's Get Real or Let's Not Play = spending your time as  
wisely as possible, not wasting your time or your prospect's  
by going through the motions of a broken sales process  
designed to maximize short-term profits instead of customer  
satisfaction (leads to long-term profits).

Let's Get Real, Inc. is a 501(c)3 non profit Recovery Community Organization. We connect people who seek treatment and support them in their journey to recovery. In addition to receiving grants from the MHARS Board of Lorain County, we rely on the generosity of our donors. Please consider making a donation today and all donations are tax-deductible.

## Let's get real, inc. - Home

Lets is the third person singular present tense of the verb let, which means to allow or to suppose. Here are a few examples, Lattimer plays favorites in hi geometry class; he lets the girls in the back row get away with almost anything.

## Lets or Let's – What's the Difference? - Writing Explained

That's what we're about here at Let's Get Real. A place for information and data. A place for tools to improve our communication skills and increase our connection to humanity. Here, we say "No" to Rhetoric. We say "No" to Name Calling. We say "No" to a Culture that seeks to tear us apart. Here, we say "YES" to all that unites us and we CELEBRATE the differences that drive us to EXCELLENCE.

## Home - Lets Get Real

At a high level, Let's Get Real Or Let's Not Play explores the buyer/seller relationship in the following ways: 1) consultants and clients want the same thing (a solution that matches the needs of the client) 2) intent is more important than technique (i.e. you are more successful when you focus on the success of others) 3) solutions ha
