The design and typography of Machinery's Handbook 29th Edition has also improved with expanded tables of content at the beginning of each section. Our editors have fine-tuned these tables to make it easier to find the information you seek. The typography, including all tables and equations has been updated and reset. And, a large number of illustrations have been redrawn for enhanced clarity ...

The large print version is not really large print, it is what we would call normal sized print that we would read every day. Size-wise the book is comparable to the old family Bible passed down through many generations. I have been an engineer for all my life and Machinery's Handbook is my prime source of engineering information.
