A 2019 NPR Staff Pick "Written 'in sorrow and anger,' this is a brilliant and urgently necessary book, eloquently making the case against bigotry and for all of us migrants—what we are not, who we are, and why we deserve to be welcomed, not feared."  
—Salman Rushdie A timely argument for why the United States and the West would benefit from accepting more immigrants There are few subjects in American life that prompt more discussion and controversy than immigration. But do we really understand it? In *This Land Is Our Land*, the renowned author Suketu Mehta attacks the issue head-on. Drawing on his own experience as an Indian-born teenager growing up in New York City and on years of reporting around the world, Mehta subjects the worldwide anti-immigrant backlash to withering scrutiny. As he explains, the West is being destroyed not by immigrants but by the fear of immigrants. Mehta juxtaposes the phony narratives of populist ideologues with the ordinary heroism of laborers, nannies, and others, from Dubai to Queens, and explains why more people are on the move today than ever before. As civil strife and climate change reshape large parts of the planet, it is little surprise that borders have become so porous. But Mehta also stresses the destructive legacies of colonialism and global inequality on large swaths of the world: When

today's immigrants are asked, "Why are you here?" they can justly respond, "We are here because you were there." And now that they are here, as Mehta demonstrates, immigrants bring great benefits, enabling countries and communities to flourish. Impassioned, rigorous, and richly stocked with memorable stories and characters, *This Land Is Our Land* is a timely and necessary intervention, and a literary polemic of the highest order.

A place of spectacle and ruin, Mumbai exemplifies the cosmopolitan metropolis. It is not just a big city but also a soaring vision of modern urban life. Millions from India and beyond, of different ethnicities, languages, and religions, have washed up on its shores, bringing with them their desires and ambitions. *Mumbai Fables* explores the mythic inner life of this legendary city as seen by its inhabitants, journalists, planners, writers, artists, filmmakers, and political activists. In this remarkable cultural history of one of the world's most important urban centers, Gyan Prakash unearths the stories behind its fabulous history, viewing Mumbai through its turning points and kaleidoscopic ideas, comic book heroes, and famous scandals--the history behind Mumbai's stories of opportunity and oppression, of fabulous wealth and grinding poverty, of cosmopolitan desires and nativist energies. Starting from the catastrophic floods and terrorist attacks of recent years, Prakash reaches back to the sixteenth-century Portuguese conquest to reveal the stories behind Mumbai's historic journey. Examining Mumbai's role as a symbol of opportunity and reinvention, he looks at its nineteenth-century development under British rule and its twentieth-

century emergence as a fabled city on the sea. Different layers of urban experience come to light as he recounts the narratives of the Nanavati murder trial and the rise and fall of the tabloid Blitz, and Mumbai's transformation from the red city of trade unions and communists into the saffron city of Hindu nationalist Shiv Sena. Starry-eyed planners and elite visionaries, cynical leaders and violent politicians of the street, land sharks and underworld dons jostle with ordinary citizens and poor immigrants as the city copes with the dashed dreams of postcolonial urban life and lurches into the seductions of globalization. Shedding light on the city's past and present, Mumbai Fables offers an unparalleled look at this extraordinary metropolis.

When King Charles II of England married Princess Catherine de Braganza of Portugal in 1661, he received as part of his dowry the Isles of Bom Bahia, the Good Bay. Reclaimed from the sea, these would become the modern city of Bombay. A marriage of affluence and abject poverty, where a grey concrete jungle is the backdrop to a heady potpourri of ethnic, linguistic and religious subcultures, Bombay, renamed Mumbai after the goddess Mumbadevi, defies definition. Bombay, Meri Jaan, comprising poems and prose pieces by some of the biggest names in literature, in addition to cartoons, photographs, a song and a Bombay duck recipe, tries to capture the spirit of this great metropolis. Salman Rushdie, Pico Iyer, Dilip Chitre, Saadat Hasan Manto, V.S. Naipaul, Khushwant Singh and Busybee, among others, write about aspects of the city: the high-rise apartments and the slums;

A Chinese woman embarks on a dream-like journey through Beijing, Tibet, and mysterious worlds beyond in this novel of "startlingly original imagination" (Guardian, UK). One autumn morning, Jia Jia walks into the bathroom of her lavish Beijing apartment to find her husband dead in their half-full bathtub. Like something out of a dream, Jia Jia discovers a pencil sketch of a strange watery figure next to the tub. The mysterious drawing launches Jia Jia on an odyssey across contemporary Beijing, from its high-rise apartments to its hidden bars, as her path crosses some of the people who call the city home, including a jaded bartender who may be able to offer her the kind of love she had long thought impossible. Unencumbered by a marriage that had constrained her, Jia Jia travels into her past in search of unspoken secrets. Her journey takes her to the high plains of Tibet, and even to a shadowy, watery otherworld. An atmospheric evocation of middle-class urban China, An Yu's Braised Pork explores the intimate strangeness of grief, the indelible mysteries of unseen worlds, and a young woman's empowering journey of self-discovery.

its geography put a premium on space, but a lot of 'living' happens on the street. Exploring the city in all of its glory, 'Bombay Mix' brings together the street photographs of Ketaki Sheth, taken from a period of almost 20 years.

Snigdha Poonam traveled through towns in northern India to investigate millennials, who are nothing like their Western counterparts. In a country of exceptional ambition, crushing limitations, and toxic masculinity, she found clickbaiters, scammers, and hucksters, but also strivers and student leaders hungry for change—a generation of dreamers.

Winner of the Silver Nautilus Award for Journalism & Investigative Reporting "Elizabeth Flock takes us on an intimate cruise on the shifting sea of the heart, in the best book set in Bombay that I've read in years. Flock's total access to her characters, and her highly sympathetic and nonjudgmental gaze, prove that love and literature know no borders. Easily the most intimate account of India that I've read, and of value to anybody that believes in love and marriage."—Suketu Mehta, author of Maximum City "This remarkable debut is so deeply reported, elegantly written, and profoundly transporting that it reads like a novel you can't put down. It's both a nuanced and intimate evocation of Indian culture, and a provocative and exciting meditation on marriage itself."—Katie Roiphe, author of The Violet Hour In the vein of Behind the Beautiful Forevers, an intimate, deeply reported and revelatory examination of love, marriage, and the state of modern India—as witnessed through the lives of three very different

couples in today's Mumbai. In twenty-first-century India, tradition is colliding with Western culture, a clash that touches the lives of everyday Indians from the wealthiest to the poorest. While ethnicity, class, and religion are influencing the nation's development, so too are pop culture and technology—an uneasy fusion whose impact is most evident in the institution of marriage. *The Heart Is a Shifting Sea* introduces three couples whose relationships illuminate these sweeping cultural shifts in dramatic ways: Veer and Maya, a forward-thinking professional couple whose union is tested by Maya's desire for independence; Shahzad and Sabeena, whose desperation for a child becomes entwined with the changing face of Islam; and Ashok and Parvati, whose arranged marriage, made possible by an online matchmaker, blossoms into true love. Though these three middle-class couples are at different stages in their lives and come from diverse religious backgrounds, their stories build on one another to present a layered, nuanced, and fascinating mosaic of the universal challenges, possibilities, and promise of matrimony in its present state. Elizabeth Flock has observed the evolving state of India from inside Mumbai, its largest metropolis. She spent close to a decade getting to know these couples—listening to their stories and living in their homes, where she was privy to countless moments of marital joy, inevitable frustration, dramatic upheaval, and whispered confessions and secrets. The result is a phenomenal feat of reportage that is both an enthralling portrait of a nation in the midst of transition and an unforgettable look at the universal mysteries of love and marriage that connect us all.
