~~Metalion - The Slayer Mag Diaries - Book Depository~~

The pages of the magazine became a written gospel for the fledgling extreme metal underground, combining eye-ripping graphics, brutally honest writing, and a relentless and sick sense of humor. As black metal rose to prominence in Norway in the 1990s, Slayer Magazine remained the final word on the moods and motivations of those dark times. This book is densely illustrated with early candid photos of classic heavy metal bands including Kreator, Mayhem, Emperor, Darkthrone, Napalm Death, and ...

A couple of weeks ago, I bought a copy of Metalion's The Slayer Mag Diaries. For those who don't know, Slayer was a zine that ran throughout the mid 80's to 2010. Editor Metalion (Jon Kristiansen) states "from the start, I made Slayer Mag as honestly and as best as I could," and it shows. I was into black metal in 2010, and I wish I'd known that it was still being published.
