The answer is it depends. "My friend and I" would be the subject of the sentence whereas we say "my friend and me" when it is the object. For Example: John is going to meet my family and me

today. (as
object) My
family and I are
going to meet
John today. (as
subject) My
cousins and I
ran into Kate at
the mall
yesterday. Kate
waited for me
and my cousins
at the mall
yesterday.
