Twelve years ago, he drove away with my heart in his hands. I've moved on since then. Or so I thought. Growing up in a small town, there weren't too many options when it came to friends. That was a long time ago. I thought I'd

But, one single glance, as he stands at my door, twelve years later, and I'm suddenly transported back to a simpler time when love was easy, and my heart was whole. The problem? I'm marrying his best friend.

“Love at first sight” was a
total loser. The first time

Love at second glance?
Third? Maybe even fourth?
Now that’s something I could

She wasn't ready. She'd never be ready, ...to say goodbye. Clare Murray knew that all too well. Still holding the last letter her husband wrote her before he died, those words, written in his quirky, messy handwriting, "When You're Ready," still bring her to her knees. And that was so long ago... Now, when fate brings her face-to-face with a stormy-eyed doctor intent on changing her mind, Clare might finally be willing to take a second chance at love. But when she finally

relents and allows Logan Matthews into her heart, their love is tested in all-too-familiar ways. It's up to them to fight for what they want as Clare learns that you're never truly ready... Until you're ready to risk it all.

She can forgive, but can she forget? Some days, Everly still thinks she sees him. In the food court at the mall, or in a car speeding past as the light changes. It only lasts a second, but when it happens, she slips back to a time when she was ruled-and nearly ruined-by August Kincaid. And it doesn't matter that she's

moved on, that she's about to marry another man. In those moments the only thing she can do to regain control is take a deep breath and remind herself that August can't hurt her—because he's in a coma. Except that he's not anymore. August is awake. With no memories, he sets out to solve the mystery of his lost life. He unearths a photograph of a beautiful redhead named Everly and knows instinctively that she's the key. But when he finds her, the August she describes is more monster than man. Tortured by the thought of having hurt her, August wants only to become the man

My name is Roman Cavanaugh and I'm kind of an asshole. Running a company isn't easy, especially when everyone expects you to fail, so being a jerk? It comes with the territory. I don't have time to mess around, and I sure as hell didn't see her coming. Cara
