page. In addition, up-to-date Case Problems provide actual practice in creating websites for today's organizations or businesses. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

# Read Online New Perspectives Portfolio Projects For Soft Skills By

Foreign aid has been an area of active scholarly investigation since the end of the Second World War, but particularly since the early 1950s when a large number of the erstwhile colonies became independent. Few areas of public policy involving the developed

# Read Online New Perspectives Portfolio

and developing countries have aroused more passion and ideological debate than foreign aid. In spite of the massive amount of research in the field, there is still not enough work in two areas: the first involves the mechanisms through which aid influences the economies of the donor

# Read Online New Perspectives Portfolio

and the recipient countries; and the second, country-specific assessments of the effectiveness of foreign aid.

Foreign Aid: New Perspectives is aimed at making a contribution in these two areas. The contents of this volume are divided into four parts. Part I deals with some theoretical aspects

# Read Online New Perspectives Portfolio

of foreign aid, while the second part analyzes some general policy aspects. Part III turns to the donor experience and includes one paper on the Danish experience. The last part considers the recipient experience and consists of five case studies.
