and stories from the talented young Yale graduate whose title essay captured the world's attention in 2012 and turned her into an icon for her generation. Marina Keegan's star was on the rise when she graduated magna cum laude from Yale in May 2012. She had a play that was to be produced at the New York Fringe Festival and a job waiting for her at The New Yorker. Tragically, five days after graduation, Marina died in a car crash. As her family, friends, and classmates, deep in grief, joined to create a memorial service for Marina, her deeply affecting last essay for The Yale Daily News, "The Opposite of Loneliness," went viral, receiving more than 1.4 million hits. Even though she was just twenty-two years old when she died, Marina left behind a rich, deeply expansive trove of prose that, like her title essay, capture the hope,

Marina left behind a rich, deeply expansive trove of writing that, like her title essay, captures the hope, uncertainty, and possibility of her generation. Her short story “Cold Pastoral” was published on NewYorker.com. Her essay “Even Artichokes Have Doubts” was excerpted in the Financial Times, and her book was the focus of a Nicholas Kristof column in The New York Times. Millions of her contemporaries have responded to her work on social media. As Marina wrote: “We can still do anything. We can change our minds. We can start over...We’re so young. We can’t, we MUST not lose this sense of possibility because in the end, it’s all we have.” The Opposite of

the fall. But McKenna has a different goal in mind: much to the chagrin of her parents, she defers her college acceptance to hike the Appalachian Trail from Maine to Georgia with her best friend. And when her friend backs out, McKenna is determined to go through with the dangerous trip on her own. While on the Trail, she meets Sam. Having skipped out on an abusive dad and quit school, Sam has found a brief respite on the Trail, where everyone's a drifter, at least temporarily. Despite lives headed in opposite directions, McKenna and Sam fall in love on an emotionally charged journey of dizzying highs and devastating lows. When their punch-drunk love leads them off the trail, McKenna has to persevere in a way she never thought possible to beat the odds or risk both their lives.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Slate • Cosmopolitan • Salon • BuzzFeed • BookPage  
Written with the riveting storytelling of authors like Emma Donoghue, Adam Johnson, Ann Patchett, and Curtis Sittenfeld, *Cartwheel* is a suspenseful and haunting novel of an American foreign exchange student arrested for murder, and a father trying to hold his family together. When Lily Hayes arrives in Buenos Aires for her semester abroad, she is enchanted by everything she encounters: the colorful buildings, the street food, the handsome, elusive man next door. Her studious roommate Katy is a bit of a bore, but Lily didn't come to Argentina to hang out with other Americans. Five weeks later, Katy is found brutally murdered in their

shared home, and Lily is the prime suspect. But who is Lily Hayes? It depends on who's asking. As the case takes shape—revealing deceptions, secrets, and suspicious DNA—Lily appears alternately sinister and guileless through the eyes of those around her: the media, her family, the man who loves her and the man who seeks her conviction. With mordant wit and keen emotional insight, Cartwheel offers a prismatic investigation of the ways we decide what to see—and to believe—in one another and ourselves. In Cartwheel, duBois delivers a novel of propulsive psychological suspense and rare moral nuance. No two readers will agree who Lily is and what happened to her roommate. Cartwheel will keep you guessing until the final page, and its questions about how well we really know

Emerson, whose essays, lectures, and poems defined the American transcendentalist movement, though he himself disliked the term. Emerson advocates a rejection of fear-driven conformity, a total independence of thought and spirit, and a life lived in harmony with nature. He believes that Truth lies within each individual, for each is part of a greater whole, a universal “over-soul” through which we transcend the merely mortal. Emerson was extremely prolific throughout his life; his collected writings fill forty volumes. This edition contains his major works, including Nature, the essays “Self-Reliance,” “The American Scholar,” “The Over-Soul,” “Circles,” “The Poet,” and “Experience,” and such important poems as “The Rhodora,” “Uriel,” “The Humble-Bee,” “Earth-Song,” “Give All to Love,” and the well-loved

“Concord Hymn.” Includes a comprehensive glossary of names. Peter Norberg has been Assistant Professor of English at Saint Joseph’s University in Philadelphia since 1997. A specialist in New England transcendentalism and the history of the antebellum period, he also has published on Herman Melville’s poetry. He currently is writing a history of Emerson’s career as a public lecturer.

In intimate and eloquent interviews, including the last he gave before his suicide, the writer hailed by A.O. Scott of The New York Times as “the best mind of his generation” considers the state of modern America, entertainment and discipline, adulthood, literature, and his own inimitable writing style. In addition to Wallace’s last interview, the volume features a

conversation with Dave Eggers, a revealing Q&A with the magazine of his alma mater Amherst, his famous Salon interview with Laura Miller following the publication of *Infinite Jest*, and more. These conversations showcase and illuminate the traits for which Wallace remains so beloved: his incomparable humility and enormous erudition, his wit, sensitivity, and humanity. As he eloquently describes his writing process and motivations, displays his curiosity by time and again turning the tables on his interviewers, and delivers thoughtful, idiosyncratic views on literature, politics, entertainment and discipline, and the state of modern America, a fuller picture of this remarkable mind is revealed.
