This is the second volume of the Complete Peanuts, created by Charles M. Schulz, starting in 1953 and reaching until 1954. While there aren't almost any adults in scene, a curious thing is that you can't understand what they say, instead of the usual Blah, blah, blah in more modern strips, where you have to figure it out what they're saying due to what the kids replied about.

Peanuts Vol. 2

Charles M. Schulz was born November 25, 1922, in Minneapolis. His destiny was foreshadowed when an uncle gave him, at the age of two days, the nickname Sparky (after the racehorse Spark Plug in the newspaper strip Barney Google). In his senior year in high school, his mother noticed an ad in a local newspaper for a correspondence school, Federal Schools (later called Art Instruction Schools).
