Place your fingers on the inside of the hind leg and slide your hand upward until the back of your fingers touches the abdomen. Gently move your fingers back and forth on the inside of the hind leg until you feel the pulsing blood. Count the number of pulses in 15 seconds and multiply that number by 4.

As you may be aware, we had to postpone all Pet First Aid courses due to the COVID 19 Pandemic. We had hoped that we would be in a position to resume running the courses again. However, the pandemic has had a profound impact on PDSA and the face-to-face community work that our Community and Education Nurse team are able to offer.

**Pet First Aid course - PDSA**

Pet first aid is the immediate treatment of sick or injured pets before urgent assistance of a vet. The courses cover what to do in an emergency as well as how to prevent common accidents and depending on the course, details of different medical conditions and injuries.

Keep an appropriately sized crate or pet carrier on hand. In the event of a natural disaster, confining your pets in a crate may help prevent injuries from debris. If you do not regularly use a crate, consider occasionally feeding them in their crate to maintain a positive association with confinement. Packing for Pets

What is a Family Disaster Dog? It is Your Dog trained to Find and Rescue You! The Family Disaster Dog Book shows you how easy a pet dog of any age, size or breed can be your very own Search and Rescue Dog!Dogs do these skills every day without us noticing. Teaching your family dog to come to your aid during an emergency is not as difficult as one might think.This book shows you how Any size dog from the little Chihuahua to the Great Dane can help its owner survive..and they find you every day already when they want to play or eat so why not learn what else they can do to help you ! One of our biggest fears and chores during a disaster is losing or finding a loved one and every dog has the ability to find its family members or friends. We, as dog owners, only need to use the natural ability of the dog to the full advantage during emergencies. These fun and easy lessons are tailored for the family to learn rescue skills in the comfort of the home during daily activities by former Search Dog Instructor Amber Higgins who spent over a decade breeding and training AKC Bloodhounds for nationwide Search and Rescue FEMA volunteer work along with German Shepherd Dogs. This updated 2nd edition of The Family Disaster Dogs book includes more short easy to do at-home lessons that are fun games for the whole family to learn how-to: Ask any dog to find family members and friends who are lost or missing !Learn how your dog can be a messenger dog !How any size dog can carry extra supplies if you have to evacuate.Learn how to pack and use a Dog Bug-out Bag with 3 days of survival supplies for you and your dog.Teach your dog to alert you to danger and warning sirens with these easy at home lessons.If you are trapped in an earthquake, your dog can find you, dig you out or bring you first aid until rescuers arrive !Send your dog for help or to your partner or child on command, it's easy to do with this book. Teach your dog to bring you items by name and much more !Teach the whole family how to use the family dog as their own search and rescue dog in tornado, floods, earthquakes and to find lost loved ones !Don't have a dog then this book is a great gift for a friend or neighbor who has a dog and they can come to your rescue too !Use this book to Form a neighborhood Family Disaster Dog group at church or clubs to help neighbors until emergency response arrives ! Coming soon "My Puppy Can Find Me" children's picture books by Amber Higgins for young children to learn what to do if they are every lost.

Cat First Aid is a quick reference guide designed to help everyday people manage emergency situations on their own, with speed and confidence.

A rational exploration of the ethical and welfare issues in all areas of equine use. This book addresses controversial and emotive issues surrounding these iconic creatures, providing a reliable source of information to support informed debate. It will enable all those with an interest in horses and the uses they are put to gain an awareness of the problems and abuses that occur. The book draws on the expertise of a range of acknowledged leaders in equine health and welfare. The first part of the book explores general issues of the horse's needs and nature. The second part contains chapters each covering a specific human use of horses and the abuses that arise as a result. This book is part of the UFAW/Wiley-Blackwell Animal Welfare Book Series. This major series of books produced in collaboration between UFAW (The Universities Federation for Animal Welfare), and Wiley-Blackwell provides an authoritative source of information on worldwide developments, current thinking and best practice in the field of animal welfare science and technology. For details of all of the titles in the series see [www.wiley.com/go/uaw](http://www.wiley.com/go/uaw).

Provides a directory of first-aid and emergency procedures for cats and dogs, covering everything from identifying a problem and performing CPR to administering a pill and follow-up care.
