**Persing BS ...**

There were few minor differences between Canadian and U.S. Respiratory care and I found the smaller size much easier to use for review. I used this book along with just a couple of my other text books to get a really full review of all respiratory care concepts. Definitely recommend for the student who is off put by huge text books with so much information this helped

**Respiratory Care Exam Review**

**- 9780323553681**

It's a great review book.

# Read PDF Respiratory Care Exam Review Review For

Not as detailed as Kettering, but I didn't like Kettering because it was overly detailed and hard to read. I highly recommend this book if you are looking to refresh your knowledge or just to review. This was all I used and it helped me pass my CRT and RRT first time around.
