Become an expert at sewing without spending weeks trying to learn how! (Even if you're a complete beginner) Imagine going from an absolute beginner to expert at sewing in just a few days. What if you became so good at sewing that you could make your own clothes, fix pretty much anything, and all of this only took a few days of practice? Multi-time best selling arts & crafts author and influencer, Kitty Moore, presents the ultimate book for all beginners trying to learn how to sew. After years of sewing, Kitty realized that becoming great at sewing (for the 90% most common uses) could be accomplished in days, NOT weeks, if the right things were learned and practiced from day one. In this book you will get these "hacks" and learn how to completely transform your skill level on a sewing machine. If you want to learn how to sew, but want to learn fast or can't seem to grasp the basics... If you want a new hobby and sewing interests you but you're not sure where to begin... Or if the idea of receiving a full list of sewing instructions and patterns appeals to you... THEN THIS BOOK IS FOR YOU! This is my 5th Edition of the book and after months of feedback and editing, my team and I have produced the MOST EFFECTIVE & BEST-SELLING "beginners sewing book" on Amazon! In this book, you will get: Images included with all stages of the learning process, so you can learn faster than ever before A massive list of patterns included in this book that range from beginner to advanced, so you can learn and practice at the same time (this is a proven method to learn a new skill faster) Comprehensive step-by-step instructions for each pattern, so that anyone can follow along (even absolute beginners who have never done any sewing in their life) Kitty's personal email address for unlimited customer support if you have any questions And much, much more... Well, what are you waiting for? Grab your copy today by clicking the BUY NOW button at the top of the page!

This jargon-free, fully illustrated guide to using your sewing machine explains essential techniques and offers easy projects for getting started. Straightforward and accessible, Me and My Sewing Machine contains everything you need to know to get the most out of your sewing machine. There are no intimidating specialty techniques, painstaking procedures, or complicated methods. Instead you will find easy-to-understand, practical and decorative techniques that make sewing simple, even if you have never used a machine before. Author and professional crafter Kate Haxell shares clever tips and shortcuts, as well as advice on when you can use these speedy methods and when it really is better to do something the traditional way. Everything is illustrated with step-by-step photography and finished samples. Haxell also includes easy sewing projects that are simple without skimping on style.

A how-to manual for sewing beginners covers how to choose and use equipment and materials, laying out fabrics and patterns, and tricks and advice for cutting and sewing.

The fabric designer and author of Patchwork USA offers tips and fun sewing projects for busy crafters in this illustrated guide. It can be hard to find the time for a creative project when life gets hectic, but it doesn't have to be impossible. Sew Organized for the Busy Girl is full of practical tips to help you fit sewing into your busy lifestyle—and put hours back on the clock! A creative mom of three, Heidi Staples will help you organize your sewing space and works-in-progress so they are ready to roll at a moment's notice. With her easy-to-implement advice, you can revive your creative life and make the most of your time. Heidi also shares 23 fun sewing projects, ranging from handcrafted quilts to home decor, children's gifts, and attractive storage cases. With an arsenal of time-savers, you'll finally finish those projects while enjoying a little "you" time at the sewing machine.
