Strategic Management : Fred David : 9780134167848

The process of strategic management lists what steps the managers should take to create a complete strategy and how to implement that strategy successfully in the company. It might comprise from 7 to nearly 30 steps [4] and tends to be more formal in well-established organizations.. The ways that strategies are created and realized differ. Thus, there are many different models of the process.
