[**SYSTEMIC INTERVENTION PHILOSOPHY, METHODOLOGY AND ...**
Systemic intervention is a deliberate operation by intervening agents that seeks people to make alterations in their lives in psychology. This analyses how people deal with challenges in the contemporary era, including their power relations and how they reform relationship with others. Midgley ventured new approach to systems philosophy and social theory that could develop variety usage of the multiple strands of systemic thinking to systemic intervention. Scientific methods could be used as a s

Systemic Intervention: Philosophy, Methodology, and Practice: Midgley, Gerald: Amazon.sg: Books

Systemic Intervention: Philosophy, Methodology, and ...
At the outset, I had expected systemic intervention to center on perturbing a system and comparing the resultant observations with expectations (per Checkland's Soft System Methodology). As such, an intervention might be merely part of an inquiry process wherein a purposeful action is taken with respect to the system or object of concern.

Systemic Intervention: Philosophy, Methodology, and ...
This book aims to rethink systemic intervention to enhance its relevance for supporting social change in the 21st Century. It offers a new systems philosophy and methodology, focusing upon the fundamental importance of exploring value and boundary judgements as part of the intervention process. A pluralist practice is also promoted, and the reader learns how s/he can draw upon a wide variety of theories and methods to maximise flexibility and responsiveness during interventions.
