Poems for Teachers. Teachers change lives. Being the right person at the right time may be enough to change a person's life forever. People are constantly changing. Whether for the good or for the bad, we do not stay the same. Having a positive influence in the form of a teacher can make or break a human being.

"Survival: A Guide" is free verse, divided into two equal stanzas that tell about a first-person speaker watching a heron, the same one she's watched over a period of years. In stanza one, the heron is motionless, but its stasis is at the center of much movement and life: a "scribble of green," cawing crows, lakes sliding "into bog and muck," and noisy ducks.

Fellow teachers, In early Spring 2020 I was approached by a publisher asking if I would like to write a book about hybrid teaching. I was thrilled at the opportunity, but as I began writing I realized that the information within this book is needed now in order to prepare teachers for the upcoming school year in a COVID world. Whereas the publication date of an expanded version of this book is ...
