The song " Tears of an Angel " by RyanDan deserves a mention in this story. Although this is not a song-fic, I have some of the lyrics at the start and middle because I think they suit Albus Dumbledore in this fic so well. It's a beautiful song, and it always brings tears to my eyes. You need to listen to it, to enjoy this story more, methinks... Albus Dumbledore is contemplating his young friend at two points across his final year as Headmaster of Hogwarts School.

Soft, slow tears that glide down her cheek one at a time and fall from her chin, fading into nothing before they reach the floor. ForewordIt has been a great pleasure in getting to know Ms. Doggett this last year. I met her through a mutual friend, who runs a poetry group and hosts a Radio show for All Artists. Ms. Doggett is a humble, unassuming and very accomplished poet. Each-time she came to the mic with her Lady-Like quality and Angelic Voice, I was shocked by the strength behind every syllable she uttered.Many of the poems were packed with a punch, in as few as two to three replete lines. She leaves you sated, knowing that you have been well-fed as she speaks of the love and desire from a very tender and romantic heart. She is a Spiritual woman as well, and has the ability to take us on longer journeys and you are right with her, in the moment, in her Spiritual Now. Then we are grabbed by the throat, as she expresses the moments of disappointments and pain, followed by anguish as Ms. Doggett bares her soul. It was this point that I reached for the box of tissues. I invite you to take this journey with her, as I did. You will not be disappointed, as a matter of fact, you will not feel alone in this world. Happy Reading.Janet P. Caldwell Author

He wanted entrance to the inner circle of London court where power and position was everything. Angels are born...Angels exist...and yes, Angels Cry. This is the life of one of many of the earthbound Angels, and the tears that Humanity has brought her.

Life is unpredictable. When we least expect it, it can be changed forever. That moment came for author Benedetta Lino when her one-year-old daughter was diagnosed with cerebral palsy, the possible result of a serious adverse reaction to the DPT vaccination. Yet in the years to come, Benedetta refused to give up hope and refused to let her daughter experience anything less than true and unconditional love. Heartwarming, yet bittersweet, Tears of My Angel recounts the years of struggle, pain, love, and hope that the Lino family endured. Benedetta recounts the early years of her daughters life, of the numerous tests and hospital stays, until the diagnosis ?nally came in 1985. But from that moment on, things only became more di?cult. As Benedetta and her husband learned to care for their daughter in the comfort of their home, they found strength in each other and in the love they had for Laura. As the years passed, and the normal milestones of a child's life passed with-out being celebrated, the family instead celebrated the beauty of life, of Lauras courage, and of the power of love. Tears of My Angel inspires, educates, and encourages, but most of all, it rea?rms the ability of hope and love to sustain us through our darkest days.

Tears of Joy: An Untold Story of Two Angels By: Joseph Tristan We are born on this earth with an unknown mission. As we mature and develop, our main objective is to identify what our purpose in life is. Once we identify our purpose, we can begin to achieve our life's goal so we may live a life filled with happiness and love. Unbeknown to us, angels live among us. Some angels are here to guide, teach, and comfort us throughout our lives, while others are here to help educate and develop our gift of knowledge and healing that will allow us to make life better for others. Tears of Joy is a story of two angels, one who helps another angel in a time of need, while the second angel educates medical science by making the ultimate sacrifice so others may get a second chance in life.
