The Digital Doctor: Hope, Hype, and Harm at the Dawn of ...

The Digital Doctor: Hope, Hype, and Harm at the Dawn of Medicine's Computer Age. While modern medicine produces miracles, it also delivers care that is too often unsafe, unreliable, unsatisfying, and impossibly expensive. For the past few decades, technology has been touted as the cure for all of healthcare's ills.

The Digital Doctor: Hope, Hype, and Harm at the Dawn of ...

"The Digital Doctor is not a Pollyanna-ish hyperbole about the promise of the digitalization of medicine, 'romanticizing how wonderful things were when your doctor was Marcus Welby, ' or a dire prediction about how computerization will eliminate the need for a doctor altogether. It is quite simply an excellent book written with intelligence and balance for both the general public and health care practitioners."
