Eurocentric visions by retracing the evolution of modern institutions of collective decision-making in Eurasia. Breaching the divide between different area studies, the book provides nine case studies covering the area between the eastern edge of Asia and Eastern Europe, including the former Russian, Ottoman, Qing, and Japanese Empires as well as their successor states. In particular, it explores the appeals to concepts of parliamentarism, deliberative decision-making, and constitutionalism; historical practices related to parliamentarism; and political mythologies across Eurasia. It focuses on the historical and “reestablished” institutions of decision-making, which consciously hark back to indigenous traditions and adapt them to the

The West has seen the rise of the organic movement. In the Muslim world, a similar halal movement is rapidly spreading. Malaysia is at the forefront of this new global phenomenon.

An Economic History of Malaysia, c.1800-1990 , provides the first general history of the Malaysian economy over the past two centuries, including a survey of the pre-colonial era. A unique feature is that it integrates the historical experiences of Peninsular Malaysia, Sabah and Sarawak as a case study in the onset of modern economic growth. Particular attention is paid to explaining Malaysia's signal success in achieving a relatively smooth shift away from the

primary commodity export economy of the colonial period to near-NIC status by 1990.

See the dawn of modern Japan through the lens of the power players who helped shape it — as well as those who fought against it — in this exploration of Samurai history. Samurai Revolution tells the fascinating story of Japan's historic transformation at the end of the nineteenth century from a country of shoguns, feudal lords and samurai to a modern industrialized nation. The book covers the turbulent Meiji Period from 1868 to 1912, widely considered "the dawn of modern Japan," a time of Samurai history in which those who choose to cling to their traditional bushido way of life

Read Online The Emby Of Cambodia Short Story Ebook Zadie Smith

engaged in frequent and often deadly clashes with champions of modernization. Knowledge of this period is essential to understand how and why Japan evolved into the nation it is today. The book opens with the fifteen-year fall of the Tokugawa Shogunate, which had ruled Japan for over 250 years, and the restoration of the Meiji emperor to a position of power at the expense of the feudal Daimyo lords. It chronicles the bloody first decade of the newly reestablished monarchy, in which the new government worked desperately to consolidate its power and introduce the innovations that would put Japan on equal footing with the Western powers threatening to dominate it. Finally, Samurai Revolution goes on to tell the story of the Satsuma

Rebellion, a failed coup attempt that is widely viewed as the final demise of the samurai class in Japan. This book is the first comprehensive history and analysis in English that includes all the key figures from this dramatic time in Japanese politics and society, and is the result of over twenty-five years of research focused on this critical period in Japanese history. The book contains numerous original translations of crucial documents and correspondence of the time, as well as photographs and maps. Samurai Revolution goes in-depth to reveal how one era of ended and another began.
