The Historical Reliability of the Gospels. Examining the history of Gospel criticism, the persistent allegations of inconsistency among the Gospels, and the information provided by extrabiblical sources, Craig Blomberg makes a strong and comprehensive case for the historical reliability of these texts.

**The Historical Reliability of the Gospels by Craig L. Blomberg**

Written by Jacob Toman | Saturday, October 24, 2020. The Bible's historical reliability is not a question of superstition vs facts, but rather a question of truth vs bias. Prior to the 1847 British expedition by Layard Nineveh was, in historical circles of study in Europe, a place of myth. There simply was no evidence (aside from the Bible) that critics would accept.

Historical reliability of the Quran concerns the question of the historicity of the described or claimed events in the Quran. Muslims have generally disapproved of the historical criticism of the Quran [1]. In the Muslim world, scholarly criticism of the Quran can be considered an apostasy and can be punished by death. [2] Scholarly criticism of the Quran, is thus, a beginning area of study.

**What Is Historical Reliability of The Quran?**

Historical Reliability of the Bible. "As a matter of fact, however, it may be clearly stated categorically that no archaeological discovery has ever contradicted a single Biblical reference. Scores of archaeological findings have been made which confirm in clear outline or exact detail historical statements in the Bible."

The Historical Reliability of Scripture There is, I imagine, no body of literature in the world that has been exposed to the stringent analytical study that the four gospels have sustained for the past 200 years.... Scholars today who treat the gospels as credible historical documents do so in the full light of this analytical study.

**The Historical Reliability of Scripture | John Ankerberg ...**

The historical reliability of the Acts of the Apostles, the primary source for the Apostolic Age, is a major issue for biblical scholars and historians of Early Christianity. While some biblical scholars and historians view the book of Acts as being extremely accurate and corroborated by archaeology, others view the work as being inaccurate and in conflict with the Pauline epistles.

**Historical reliability of the Acts of the Apostles ...**

In "The Historical Reliability of the Gospels", Dr. Blomberg presents readers a detailed and well-reasoned overview for the general reliability of the four Canonical Gospels of the New Testament . This is a popular-level work derived largely from previous more technical volumes of evangelical scholars in the "Gospel Perspectives" series.

**The Historical Reliability of the Gospels: Amazon.co.uk ...**

The historical reliability of the Gospels refers to the reliability and historic character of the four New Testament gospels as historical documents. While all four canonical gospels contain some sayings and events which may meet one or more of the five criteria for historical reliability used in biblical studies, the assessment and evaluation of these elements is a matter of ongoing debate.

**Historical reliability of the Gospels - Wikipedia**

Historical method is the collection of techniques and guidelines that historians use to research and write histories of the past. Secondary sources, primary sources and material evidence such as that derived from archaeology may all be drawn on, and the historian's skill lies in identifying these sources, evaluating their relative authority, and combining their testimony appropriately in order to construct an accurate and reliable picture of past events and environments. In the philosophy of his

**Historical method - Wikipedia**

For over twenty years, Craig Blomberg's The Historical Reliability of the Gospels has provided a useful antidote to many of the toxic effects of skeptical criticism of the Gospels. Offering a calm, balanced overview of the history of Gospel criticism, especially that of the late twentieth century, Blomberg introduces readers to the methods employed by New Testament scholars and shows both the values and limits of those methods.
