The More Beautiful World Our Hearts Know Is Possible...

Above all, Eisenstein invites us to embrace a radically different understanding of cause and effect, sounding a clarion call to surrender our old worldview of separation, so that we can finally create the more beautiful world our hearts know is possible. With chapters covering separation, interbeing, despair, hope, pain, pleasure, consciousness, and many more, the book invites us to let the old Story of Separation fall away so that we can stand firmly in a Story of Interbeing.

Amazon.com: The More Beautiful World Our Hearts Know Is...

"The more beautiful world my heart knows is possible is a world with a lot more pleasure: a lot more touch, a lot more lovemaking, a lot more hugging, a lot more deep gazing into each other's eyes, a lot more fresh-ground tortillas and just-harvested tomatoes still warm from the sun, a lot more singing, a lot more dancing, a lot more timelessness, a lot more beauty in the built environment, a lot more pristine views, a lot more water fresh from the spring.

The More Beautiful World Our Hearts Know Is Possible...

The More Beautiful World is a series of 5-minute guided audio reflections to help reflect on the year that was—and the year that can be. There's no "right" way to use these reflections. You can listen once a week for the next few weeks, or one each day. You can listen to them over and over, reflecting on something fresh each time.

The More Beautiful World—Preemptive Love

The More Beautiful World has 18,615 members. This is a FB group that exists to facilitate the exchange of ideas around the New Story as embodied in the writings of Charles Eisenstein, including topics such as gift economics, collaboration, alternative currencies, permaculture, 'technologies of reunion', non-dual spirituality, metaphysics, new & old narratives, stories of transition.

The More Beautiful World Our Hearts Know Is Possible by...

The More Beautiful World Our Hearts Know is Possible was published in November 2013. It argues that many of the social, economic, political, and environmental problems covered in his earlier works can be traced to an underlying worldview that he calls the "Story of Separation"—that humans are separate from each other and from the rest of the natural world.

Charles Eisenstein—Wikipedia

Above all, Eisenstein invites us to embrace a radically different understanding of cause and effect, sounding a clarion call to surrender our old worldview of separation, so that we can finally create the more beautiful world our hearts know is possible. With chapters covering separation, interbeing, despair, hope, pain, pleasure, consciousness, and many more, the book invites us to let the old Story of Separation fall away so that we can stand firmly in a Story of Interbeing.

The More Beautiful World Our Hearts Know Is Possible...

Charles writes about a more beautiful world—a world we suspect is possible. He is not the first. Across cultures and throughout time, the disillusionments with the present and feasible have made men dream about a better state of things.
