"The Rainbow Bridge: Bridge to Inner Peace and to World Peace," recipient of 21 literary awards/recognitions (see below), has been endorsed by H.H. the Dalai Lama, New York Times bestselling authors, doctors, lawyers, Ambassadors, Astronauts, Olympians, an Academy Award-winning actor and a growing chorus of prestigious global luminaries. The book illuminates the common ground in the world's major wisdom traditions, also known as universal principles. The sixty easy-to-use universal principles can be used to help guide us to experiencing deep inner peace. They can also be used in concrete ways to help create a bridge to a peaceful harmonious world that works for all via a comprehensive Road Map to World Peace. This book also reveals how the mainstream Rainbow Bridge is spontaneously appearing around the world in the form of physical bridges, stores, hotels, music festivals, Hollywood films and more. The Rainbow Bridge is a vision of peace and unity that comes from deep inside the heart of humanity. Learn how it can be a positive contribution to your life and to the lives of billions of people worldwide. "The Legend of Rainbow Bridge' by William Britton ahas comforted the hearts and souls of countless animal lovers around the globe. Written for adults and children of all ages. My Britton's healing words offer solace and comfort to those left behind when their beloved companions journey to Rainbow Bridge. This book, beautifully illustrated by Dandi Palmer, is a must for all who share lives with animals of any kind."--Back cover.

After a very rough beginning in life as a puppy mill dog, Henley was rescued and then adopted into a loving home. His life was a full one, and a happy one. Henley became a Therapy Dog, a Reading Buddy, a Humane Education Ambassador, and the author of his very own book, "My Name is Henley: My life and times as a rescued dog." Thousands upon thousands of children embraced his story and his mission to find happily-ever-afters for all our animal friends. "Living a life that values life," and being "the voice for those who cannot speak for themselves," were the words upon which his mission was founded. Sadly, Henley's own life came to an end on March 13th, 2010, just three days after his twelfth birthday - but his story continues. In true "Henley" tradition, this dear old dog comforts us once again - now from another place - to help those who have suffered the loss of a pet, and to give them a sense of closure. Yes, the tears and sadness are normal, feeling the loss is normal, and so is moving forward - to honor that much-loved friend and pet. May this gentle sheepdog's words bring you comfort, smiles, understanding, and a reason to celebrate rich memories that live on and on. Even in the darkest of situations you can find the light...if you look in the right places. And this book is one of those places.

No dog ever lives long enough. Anyone who has ever loved a dog knows this... So begins this comforting picture book that's perfect for adults and children facing the loss of a beloved dog. Richly illustrated with warm and uplifting watercolors, Dog Heaven: Somewhere Over the Rainbow Bridge follows old Jake Dog from his last moments with his family and into the wonderful land of Dog Heaven. "A delightful ray of sunshine that cuts through the grey clouds of pet loss. The perfect gift for anyone who is grieving the loss of their loyal companion." -- KNBR-1050

A line-by-line presentation of the Rainbow Bridge poem, with artists' renditions for each couplet.

A contemporary story based on the Chumash Indian legend about the origin of dolphins.

"Andy's parents rescued Rocket when Andy was just a toddler, and they grew up together, with Rocket serving as Andy's guardian through every one of childhood's ups and downs. So when Rocket passes away right before Andy's 14th birthday, he's rudderless. High school is coming soon and he can't imagine making that transition without Rocket at his side. The day before school starts, when Andy is at his lowest, he visits Rocket's grave, and unexpectedly summons the RAINBOW BRIDGE, a gateway to a fantasy world where pets discover their afterlife. One part heaven and one part limbo, this is a final resting place for pets - but also a realm where any unfinished business must be completed, before restless pet souls twist into bizarre, seemingly malevolent wraiths that haunt the periphery of this otherwise splendid paradise. It's extremely rare for a human to visit this realm, but Rocket and Andy find each other again in this wondrous pet Vallhalla to go on one last epic adventure to help Rocket reunite with his lost intermate, fulfilling Rocket's last wishes. Here, the roles are reversed, as Andy has to be the strong one and support Rocket in his quest for closure. By adventre's end, Andy finally gains the confidence to let go of his childhood and enter the next phase of his life, starting his first day of high school."--Provided by publisher.

In a dramatic companion volume to Norse Myths, a Carnegie Medal winner revisits an ancient world of magic, mythology, and mountain trolls. Step back into a sweeping landscape of green glades and glaciers where dwarves, frost giants, and ghosts roam and where gods and goddesses work their magic for Middle Earth, sometimes crossing the great rainbow bridge to come to the aid of humans. Five gripping new tales by Kevin Crossley-Holland plumb Norse mythology as never before, while Jeffrey Alan Love's illustrations give the epic figures bold new life. Eerie, lyrical, and arresting, this must-have companion book to Norse Myths: Tales of Odin, Thor, and Loki is the ideal gift for fantasy and mythology fans as well as newcomers to Viking lore.

This is a true story of a mutual rescue between Jim Barris and his Cavalier King Charles Spaniel, Carly. The book is beautifully written and illustrated in watercolor. It answers some of the painful questions about the loss of a furry baby. Truly a heart warming and passionate journey.
