The Strengths Model Addiction Treatment Programme. This Page was last reviewed and changed on June 23rd, 2020. Our Oasis Runcorn clinic is the only rehab facility in the UK to offer two types of programmes: The popular 12-Step recovery programme and the Strengths Model programme. For those unfamiliar with this practice, the strengths model is often preferred by those who struggle to connect with the idea of a God/higher power.

The Strengths Model - UK Addiction Treatment Centres

Strengths Model This therapeutic model follows an eight-stage approach. The importance of a systematic model is that clients can map their progress from one stage to the next, which is important in early recovery, where targets and goals should be thought about in small, measurable and achievable ways.
