The Adventures of Tom Sawyer (1876) is the story of a boy in Missouri in the 1840s. Tom Sawyer's parents are dead and he lives with his aunt in a small village next to the long Mississippi river. One night, Tom and his friend, Huckleberry Finn see Injun Joe kill Dr Robinson. "We can't say anything about it. Or we will die," says Tom.

Tom Sawyer is young, imaginative and mischievous and lives with his Aunt Polly and half-brother Sid in a Mississippi town. A Page 18/29

young girl, Becky Thatcher moves into town and Tom falls in love with her. They have a tiff and Tom is off to the town graveyard with his best friend Huckleberry Finn, where they witness the wicked Injun Joe murder Doctor Robinson. When this comes to light, Injun Joe blames Muff Potter. Obviously this is too much for a young Tom to take, and he is afraid to tell what he knows. He, Huck and their friend Joe Harper decide to become pirates and camp on an island in the river. When they come to know that Aunt Polly thinks they are all dead and a funeral is planned, they return home in a hurry. Once back, Tom

feels braver and decides to testify against Injun Joe, who escapes from the law but ultimately dies starving in a cave and Tom and Huck find his hidden treasure.

The classic story about the young boy Tom Sawyer and his adventures along the banks of the Mississippi.

Adventures of Huckleberry Finn (often shortened to Huck Finn) is a novel written by American humorist Mark Twain. It is commonly Page 20/29

used and accounted as one of the first Great American Novels. It is also one of the first major American novels written using Local Color Regionalism, or vernacular, told in the first person by the eponymous Huckleberry "Huck" Finn, best friend of Tom Sawyer and hero of three other Mark Twain books. The book is noted for its colorful description of people and places along the Mississippi River. By satirizing Southern antebellum society that was already a quarter-century in the past by the time of publication, the book is an often scathing look at entrenched attitudes, particularly racism. The drifting

journey of Huck and his friend Jim, a runaway slave, down the Mississippi River on their raft may be one of the most enduring images of escape and freedom in all of American literature.

In the story, Tom, Huck, and Jim travel to Africa in a futuristic hot air balloon, where they survive encounters with lions, robbers, and fleas to see some of the world's greatest wonders, including the Pyramids and the Sphinx.

"The Adventures of Tom Sawyer by Mark Twain Page 22/29

is an 1876 novel about a young boy growing up along the Mississippi River. It is set in the 1840 in the fictional town of St. Petersburg, inspired by Hannibal, Missouri, where Twain lived as a boy. In the novel Tom Sawyer has several adventures, often with his friend Huckleberry Finn. Originally a commercial failure, the book ended up being the best selling of any of Twain's works during his lifetime. Though overshadowed by its sequel, Adventures of Huckleberry Finn, the book is by many considered a masterpiece of American literature, and was one of the first novels to be written on a typewriter."

o Includes the authoritative texts for eleven pieces written between 1868 and 1902 o Publishes, for the first time, the complete text of "Villagers of 1840-3," Mark Twain's astounding feat of memory o Features a biographical directory and notes that reflect extensive new research on Mark Twain's early life in Missouri Throughout his career, Mark Twain frequently turned for inspiration to memories of his youth in the Mississippi River town of Hannibal, Missouri. What has

come to be known as the Matter of Hannibal inspired two of his most famous books, Tom Sawyer and Huckleberry Finn, and provided the basis for the eleven pieces reprinted here. Most of these selections (eight of them fiction and three of them autobiographical) were never completed, and all were left unpublished. Written between 1868 and 1902, they include a diverse assortment of adventures, satires, and reminiscences in which the characters of his own childhood and of his best-loved fiction, particularly Huck Finn and Tom Sawyer, come alive again. The autobiographical recollections culminate in

an astounding feat of memory titled "Villagers of 1840-3" in which the author, writing for himself alone at the age of sixtyone, recalls with humor and pathos the characters of some one hundred and fifty people from his childhood. Accompanied by notes that reflect extensive new research on Mark Twain's early life in Missouri, the selections in this volume offer a revealing view of Mark Twain's varied and repeated attempts to give literary expression to the Matter of Hannibal.

"Do you reckon Tom Sawyer was satisfied after Page 26/29

all them adventures? No, he wasn't. It only just pisoned him for more." So Huck declares at the start of these once-celebrated but now little-known sequels to his own adventures. Tom, Huck, and Jim set sail to Africa in a futuristic air balloon, where they survive encounters with lions, robbers, and fleas and see some of the world's greatest wonders in Tom Sawyer Abroad. The boys then turn sleuth in Tom Sawyer, Detective as they attempt to solve a mysterious murder in this burlesque of the immensely popular detective novels of the time. Replete with down-home, backwoods Missouri wisdom, these two stories tackle

every subject from the Crusades and chronometers to ghosts and swearing popes. This authoritative edition includes all of the original illustrations Mark Twain commissioned from Dan Beard ("the only man who can correctly illustrate my writings") and A. B. Frost ("the best humorous artist that I know"). Based directly on the author's manuscripts, incorporating only his revisions and restoring many passages once suppressed by fastidious editors, the texts are presented here in the only form Twain intended them.
