For Modern Times

Unlike many modern pharmaceuticals, the quality of material for traditional medicines varies enormously between, and even within, source countries and plants. This is both because of genetic differences and other factors such as environmental conditions, harvesting, transport and storage. Dosage is similarly varied.

Traditional medicine for modern times: Facts and figures ...

Traditional Medicines for Modern Times begins with an introduction to the disease diabetes mellitus written by a consultant physician and an up-to-date, detailed summary table and discussion of scientifically screened antidiabetic plants compiled by authors from the Jodrell Laboratories, Royal Botanic Gardens, Kew, UK. The next chapters provide an outline of clinical, in vivo, and in vitro methods for assessing antidiabetic activity of
