Robert S. Feldman. 3.60 · Rating details · 169 ratings · 18 reviews. Essentials of Understanding

Psychology is written around the philosophy that an effective textbook must be oriented to students - informing them, engaging them, exciting them about the field, and expanding their intellectual capabilities - because when students understand psychology, they learn psychology.

Essentials of Understanding Psychology by Robert S. Feldman

Robert S. Feldman. First, I study lying in everyday life. In this research, I look at the ways in which people use lying strategically in their social interactions, and the consequences of this deception. Second, I am interested in understanding the factors that underlie and promote academic success in college students.
