AMS is proposing revisions to these U.S. Standards for Grades using the procedures that appear in part 36 of Title 7 of the Code of Federal Regulations (7 CFR part 36). Background: AMS periodically reviews the grade standards for usefulness in serving the industry. More recently developed grade standards use a single term, such as "U.S. Grade A" or "U.S. Grade B," to describe each level of quality within a grade standard.

Federal Register :: United States Standards for Grades of ...

Voluntary U.S. grade standards are issued under the authority of the Agricultural Marketing Act of 1946, which provides for the development of official U.S. grades to designate different levels of quality. These grade standards are available for use by producers, suppliers, buyers, and consumers. As in the case of other standards for grades of fresh and processed fruits, vegetables, and specialty crops these standards are designed to facilitate orderly marketing by providing a convenient ...
