~~Amazon.co.uk:Customer reviews: Walk Amble Stroll Level 2~~

These walks last for 45 minutes and are at a relaxed, easy pace. These walks are slightly more strenuous than the Level 1 walks due to the terrain, some unpaved but surfaced paths hills that will be encountered. It is an ideal way to start walking if you are new to it or recovering from illness or injury. These walks do not include stiles and are wheelchair and pushchair

Walk, Amble, Stroll is a textbook designed for ESL/EFL students at the high beginning level who are ready to expand their vocabulary. It can be used in a class devoted to vocabulary building or as a supplementary text in a reading, writing, or integrated skills class. It can also be used for self-study by individual students. The goal in writing this book was to provide students with an efficient and enjoyable way to expand their vocabulary. The text introduces vocabulary through a concept and teaches words that are related to that concept. These groups of related words are also known as domains. The focus on concepts and word domains lends itself to a rich variety of activities that appeals to students with different learning styles.
